Announces the First One-year Full Time Residential

International Programme in Finance for Executives (IPFX 2010-11)

Commencing from October 1, 2010 at IIML - NOIDA Campus

Programme:

IPFX is a full time one-year residential Post-Graduate programme in Finance for middle/senior level professionals from corporate, banking, insurance, NBFCs, Mutual Fund, Government sector, regulatory bodies, practicing Chartered Accountants, Cost Accountants & Company Secretaries to prepare them for advanced careers in Finance with an emphasis on the Indian and international business environments through a comprehensive and challenging curriculum to be jointly delivered by the Desautels Faculty of Management, McGill University, Canada & IIM Lucknow.

IPFX programme will integrate advanced financial theory & quantitative methods with real world business practice. It is a dual degree programme in collaboration with the Desautels Faculty of Management, McGill University, Canada.

On Successful completion of the programme, the students will be awarded

- **Master of Management by McGill University, Canada**
- **Post Graduate Diploma in Finance for Executives by IIM Lucknow**

The institute would facilitate student's placement of non sponsored candidates.

Eligibility:

- Bachelor's degree with minimum 55% marks and proven quantitative skills
