CURRENT POSITION

Associate Professor, Indian Institute of Management, Lucknow

PAST ENGAGEMENTS

➤ Academic (Teaching)

- **Associate Professor**, Department of Business Sustainability and Department of Policy Studies at The Energy and Resource Institute (TERI) University (March 2011 – October 2016).
- **Visiting Professor** at the Faculty of Management Studies (FMS), Delhi University (July to December 2013)
- **Visiting Professor** at United Nations University (UNU-IIST) (September-October 2012).
- **Visiting Scholar** under the aegis of Kakenhi (Japanese Society for Promotion of Science) at Asian Growth Research Institute (AGI), Japan, February-March 2015.

➤ Role in Academic Guidance/Mentorship

✦ PhD Thesis

- Co-supervised a Fellow Programme in Management (FPM) thesis in Business Environment area at Indian Institute of Management (IIM), Lucknow.

Thesis title: 'Analysis of the Implementation of Carbon Tax on India's Road Passenger Transport'. Degree has been awarded (Student Name: Ms. Monica Gupta; degree awarded in 2016).

- Supervised two PhD candidates enrolled at the Department of Policy Studies, TERI University (one has been submitted and awaiting award of degree; student name: Anandajit Goswami)
- **Master's Thesis**: Supervised 25 masters' thesis from 2011 to 2016 pursued at various corporate organisations and consultancies like KPMG, PwC, Deloitte, E&Y and ICF International.
- **Research/Advisory Role**
 - **Senior Associate and Principal Policy Adviser**, International Institute of Sustainable Development (IISD) till February 2018

Role: Strategize and advise on the India Chapter of IISD and participate in select projects as lead or co-lead
 - **Senior Consultant**, Tata Trusts (Tata Educational and Development Trust)

Role: To carry out a CBA pertaining to India Consensus Project, administered jointly by Copenhagen Consensus Center, USA, US International Affairs Think Tank of The Year and Tata Educational and Development Trust.
 - **Adviser**, IL&FS IETS

Role: To advise in evaluation of a number of monitoring and evaluation studies on skill development under the aegis of National Skill Mission and State Skill Development Authority, among other and on ICT for education.
 - **Adjunct Senior Fellow**, The Energy and Resources Institute (TERI) (August 2012 to October 2016)

Role: Project Advisor/Co-PI/Team Member for select projects undertaken by Green Growth and Resource Efficiency Division and Social Transformation Division of The Energy and Resource Institute (TERI)
 - **Consultant**, International Centre for Trade and Sustainable Development (ICTSD), Geneva (April 2016 – August 2016)

Role: To work on a think piece focusing on energy, trade and sustainable development.

- **Senior Fellow**, Asian Institute of Transport Development (AITD), New Delhi, a think tank on transport and infrastructure based in New Delhi and having special consultative status with the United Nations (August 2006 to September 2010)

Role: Coordinated projects and carried out research primarily on transport-energy-climate change interface and on a project on socio-economic impact assessment of expansion of National Highway on rural population commissioned by NHAI/World Bank.

- **Research Officer** to erstwhile UN Special Rapporteur on Right to Development and former executive director, IMF (late Dr. Arjun Sengupta) (July 2002 to July 2006).

Role: Carried out the research pertaining to eight reports on Right to Development submitted to UN and executed several monitoring and evaluation projects commissioned by Government of India and International Governments and Donors.

- **Economic Officer** to the Honourable Member (late Dr. Amaresh Bagchi), Eleventh Finance Commission, Ministry of Finance, Government of India (October 1998 to June 2001).

Role: Carried out the background economic research pertaining to select chapters of the report of Finance Commission.

- **Project Associate**, Planning and Policy Research Unit (PPRU), Indian Statistical Institute, New Delhi (August 1997 to September 1998).

Role: Worked on a project on economic cooperation with ASEAN in the emerging economic environment.

➤ **Advisory/ Member Role in Government and Intergovernmental Organisations**

1. **Member** of the Sub-Group on Transport (formed by the Government of India in 2010) for providing inputs to the India chapter of Energy Technology Perspectives, 2010 (published by International Energy Agency, Paris in July 2010).

2. **Invitee Consultant**, Roundtable 148 on 'Stimulating Low Carbon Vehicle Technology' organized by Joint Transport Research Centre (IEA/OECD) at IEA, Paris (February 2010).

➤ **Role in the Print Media**

Lead Columnist with *The Financial Express* (from 2009 to 2010).

➤ **Role in Select Projects as Lead, Co-Lead, Advisor**

1. **Evaluation of DBT as an instrument of Transfer of Power Subsidy**, commissioned by DFID and administered jointly with KPMG India.

Role: Team Member and Adviser

2. **Mission to provide input to the UNE Expert Group on Measuring the SDG indicator 12.c.1**, commissioned by UNEP (United Nations Environment Programme) and executed jointly with Ministry of Statistics and Programme Implementation (MoSPI) Government of India (ongoing)

Role: Lead of the India Mission

3. **Evaluation of Ujjwal Discom Assurance Yojana (UDAY)** in Uttar Pradesh, commissioned by Shakti Sustainable Energy Foundation (ongoing)

Role: Adviser

4. **Building an Inventory of Fossil Fuel Subsidies**, commissioned by the Flora Hewitt and Oak Foundation (March to August, 2017) and pursued jointly with Overseas Development Institute and ICF International.

Role: Lead for the Oil and Gas Component

5. **Study of Low Carbon Transport in India**, commissioned by the Asian Development Bank (June to December 2015)

Role: Low Carbon Transport Specialist

6. **Emission Trading in Asia: India Component**, commissioned by Asian Growth Research Institute, Japan under the Kakenhi - Grants for Scientific Research under the Japanese Society for Promotion of Science (JSPS) (June to December 2014)

Role: India Lead

7. **Assessing Energy Risk**, commissioned by Atomic Energy Commission, Government of India (June to December 2014)

Role: Project Advisor of One Component

8. **Decentralized Rural Electrification in India**, commissioned by GNESD, UNDP October 2013 (January to July 2014)

Role: Project Advisor

9. **Inventory of Fossil Fuel Subsidies**, component of a report commissioned by Asian Development Bank, Manila and executed jointly with IISD (April to August 2013).

Role: Lead Investigator for the component

10. **Inventory of Budgetary and Tax Support on fossil fuels**, commissioned by OECD executed jointly with IISD, Geneva (January to June 2013).

Role: Lead Investigator

11. **Biofuels in South Asia**, commissioned by South Asia Watch on Trade Economics and Environment (SAWTEE) under its regional programme on trade, economics and climate change (January to May 2011).

Role: Lead Investigator

12. **Citizen's Guide to Energy Subsidy in India**, commissioned by Climate and Energy Unit of FCO/DFID administered jointly with IISD (January to May 2012)

Role: Co-Lead

13. **Cash Transfer as an Instrument for Delivery of Targeted Fossil Fuel Subsidy**, component of a bigger project on Removal of Fossil Fuel Subsidy commissioned by Climate and Energy Unit of FCO/DFID and administered jointly with IISD (January to July, 2012)

Role: Co-Lead

14. **Report commissioned by the India Today group** to understand the short and long-term implications on Indian economy of Nomura Forecast made in March 2011 on future crude price spike (April-May 2011).

Role: Lead Investigator

15. **Socio-Economic Impact Assessment of National Highway on the Rural Population**, an impact assessment study commissioned by National Highway Authority of India (NHAI), 2010.

Role- Team Member

16. **Right to Development: India Country Study**, evaluation study commissioned by FXB Center, Harvard School of Public Health, University of Harvard.

Role: Team Member and Project Coordinator

17. **Poverty Reduction Strategy as an Implementation of Right to Development: A Case Study of India**, evaluation study commissioned by the Government of Federal Republic of Germany to CDHR, New Delhi, 2006.

Role: Team Member and Project Coordinator

18. **Annual and Two Quarterly Reports on Monitoring of Total Sanitation Campaign (TSC) and Swajaldhara Programmes of drinking water in eight selected districts of West Bengal**, commissioned to CDHR, New Delhi, by Ministry of Rural Development, Government of India, 2006.

Role: Co-lead

19. **Four Reports on Concurrent Evaluation of 4 Special Projects of Self-Employment under Swarnjayanti Gram Swarojgar Yojana (SGSY)**, evaluation report commissioned to CDHR, New Delhi, by Ministry of Rural Development, Government of India, 2006.

Role: Co-lead

➤ **EDUCATIONAL QUALIFICATION**

- PhD in Economics from Centre for Economic Studies and Planning (CESP), Jawaharlal Nehru University, New Delhi, India
- M.Phil. in Economics from Centre for Economic Studies and Planning (CESP), Jawaharlal Nehru University, New Delhi, India
- MA in Economics from Centre for Economic Studies and Planning (CESP), Jawaharlal Nehru University, New Delhi, India

➤ **SELECT CERTIFICATION/ADVANCED TRAINING PROGRAMMES COMPLETED**

- Policy Analysis and Evaluation certified by ILR School, University of Cornell, USA (2016).
- Global Reporting Initiative (GRI) Certified Course on Sustainability Reporting offered by KPMG (2016).
- Emissions Trading System for Developing Countries offered by International Carbon Action Partnership (ICAP) and Ecologic Institute, Berlin (2014) (with full funding by the European Commission).
- Case Method Workshop, organized by the Indian Institute of Management (IIM), Calcutta on 13-14 February 2014.
- Economics of Climate Change offered by Norwegian School of Economics and Business Administration, Bergen, Norway (2011).
- Poverty and Human Rights, offered by Comparative Research on Poverty (CROP), International Social Science Council and Bergen University College, Norway (2009) (received the highest grade A).
- Results based Monitoring and Programme Evaluation offered by International Programme for Development Evaluation and Training (IPDET), Planning Commission and Independent Evaluation Group (IEG) World Bank in New Delhi (2006).

➤ **Honours and Accolades**

- Recipient of **JRF (Junior Research Fellowship)** from University Grants Commission (UGC) for pursuing PhD research at JNU (availed for 2001-02)
- Recipient of visiting fellowship under **Kakenhi Grant (Japanese Society for Promotion of Science)** at Asian Growth Institute (AGI), Kitakyushu, Japan (availed in February 2015).
- Recipient of full fellowship from European Commission for participation in the advanced research workshop organized by the **International Carbon Action Partnerships (ICAP)** and **Ecologic Institute, Berlin** for 25 carefully selected academic and policy makers on Emission Trading System, held at Istanbul, Turkey, (availed in September 2013).
- Recipient of fellowship from **University of Bergen and Norwegian School of Economics and Business Administration** to participate in a summer workshop on 'Economics of Climate Change' held at Norwegian School of Economics and Business Administration (NHH), Bergen, Norway (availed in August 2009).

- Recipient of fellowship from **NORAD (Norwegian Agency for Development Cooperation)** in 2007 for pursuing the programme on poverty and human rights organized by CROP (Comparative Research on Poverty), International Social Science Council, and University College, Bergen, Norway (availed in August 2007).
- Recipient of full fellowship from erstwhile **Planning Commission, Government of India** in 2006 for pursuing the advanced programme on result based approach to monitoring and evaluation conducted by the International Programme on Development Evaluation Training (IPDET) and Independent Evaluation Group (IEG), World Bank (availed in July 2006).

65. **Right to Adequate Food,** *The Hindu*, February 10, 2003

**SELECT PAST NATIONAL/INTERNATIONAL CONFERENCE/WORKSHOP
PRESENTATIONS/LECTURES (TILL AUGUST 2016)**

Year	Conferences/Workshop	Title of paper presented/discussed
August 2016	Sustainability Summit organised by XIMB, Xavier School of Sustainability and Wipro	Has the Perform Achieve and Trade (PAT) Scheme led to Innovation? Insights from the First Cycle
August 2016	Sustainability Summit organised by XIMB, Xavier School of Sustainability and Wipro	Exploring the Nature of Rural Energy Transition in India: Insights from the Case Studies of 8 Villages in Bihar
December 2015	Pan IIM Conference at IIM Indore	Trends and Patterns in India's Rural Energy Transition: Connecting the Dots
November 2015	Cambridge Symposium on Implementing International Law on Climate Change, University of Cambridge	'Effects of Different Types of Cap and Trade Mechanism on CO2 Reduction', (presented in absentia by Prof. Kenichi Imai, Asian Growth Research Institute, Japan).
April 2015	Smart and Sustainable Cities: Opportunities for Canada India Partnership organized by Carleton University, Canada, River Building, Carleton University, Ottawa	Smart Cities as an engine of growth: Exploring the Grey Areas.
April 2015	7 th International Conference on Climate Change: Impacts and Responses, organized by University of British Columbia at Robson Square, Vancouver, Canada	Comparative Study on Municipal Emission Trading System in Asia: China, India and Japan (presented in absentia by Prof. Kenichi Imai, Asian Growth Institute, Japan)
February 2015	Seminar on Emission Trading System organised by Asian Growth Research Institute, Kitakyushu, Japan.	Emission Trading System in India: An Assessment
January 2015	Sustainability Symposium organised by IIM Bangalore, Kennan Flagler Business School, University of North Carolina and Wipro at IIM Bangalore	Regulating Off-grid Electricity Sector: Connecting the Dots
April 2014	Reforming Fossil Fuel Subsidies for an Inclusive Green Economy organized by International Monetary Fund (IMF), UNEP, IISD and GIZ at UNEP Headquarter in Nairobi, Kenya.	Discussant of two papers by Ian Parry, IMF and Joy Kim, UNEP
August, 2013	Workshop on Reform of Fossil Fuel Subsidy for South and South East Asian Countries at ADB Resident Mission in Jakarta,	Inventory of Fossil fuel subsidy for India

	Indonesia.	
April, 2013	Advisory Group Meeting on Energy Subsidy held at the headquarter of Global Subsidies Initiative (GSI), International Institute of Sustainable Development, Geneva	Energy Subsidy Strategy for India
September 2012	Media Workshop on Fossil Fuel Subsidies organized by IISD and Green Growth Division, TERI at TERI, IHC, New Delhi	Session Chair for Fossil Fuel Subsidy in India.
March 2012	Workshop on Fossil Fuel Subsidies organised by IISD and Green Growth Division, TERI at Bangalore	Session Chair for Reforming Energy Subsidies in India.
June 2011	'India on the Move: Identifying Key Transport Challenges' a conference organized jointly by Rosa Luxemburg Stiftung, Germany and Observer Research Foundation in Berlin	Towards Sustainable Low Carbon Urban Mobility in India: Addressing the Concerns
March 2011	Training Workshop for Indian Journalists on Hidden Costs of Fossil Fuel Subsidy organized by Global Subsidies Initiative, International Institute of Sustainable Development, Canada.	Pruning Subsidies on LPG and Kerosene: India might miss the Target'
December 2010	Capacity Building Workshop on Global and Regional Economic Cooperation issues organised by RIS and Economic Research Institute for ASEAN and East Asia (ERIA) in New Delhi	Energy Security in the Context of Regional Cooperation in Asia
November 2010	Seminar on International Trade and Climate Change organised by RIS and ITPO in New Delhi	Clean Development Mechanism and Transport Sector
September 2010	SAARC@25, international conference organised jointly by RIS, Ministry of External Affairs, SAARC Secretariat, and IIC at New Delhi	Towards a Regional Energy Market in South Asia
February 2010	Roundtable 148 on 'Stimulating Low Carbon Vehicle Technology' organized by Joint Transport Research Centre (IEA/OECD) at IEA, Paris	For discussion and exchange of inputs on four papers on low carbon vehicle technologies prepared by four experts (David Green, Joe Van Biesenbrock, Don Fullerton and Luc Bastard) for Joint Transport Research Centre(IEA/OECD)
January 2010	Joint IEA-Government of India Workshop on Regional Analysis of India in the Energy Technology Perspective 2010, New Delhi	Discussant for the background paper on 'Transport Energy in Transition' prepared by Lew Fulton et al. from IEA for the Energy Technology Perspectives, 2010
December 2009	Writers workshop for the India Infrastructure Report organised by IIM Ahmedabad, IIT Kanpur, IDFC at New Delhi	As a presenter and discussant Paper presented- 'Reconciling Economic Growth with

		Sustainable Mobility in India' Paper discussed- 'Putting Urban Transport Sector on a Low Energy and Low Carbon Path' by Akshima Ghate and S Sundar, TERI
October 2009	Workshop on the need for fuel economy norm, organized by GFEI (Global Fuel Economy Initiative) in New Delhi	To exchange views on the papers pertaining to GFEI's 50 by 50 Campaign
August 2009	Summer Workshop on Economics of Climate Change at the Norwegian School of Economics and Business Administration, Bergen, Norway	Why is Property Right Crucial for Climate Change?

Kaushik Ranjan Bandyopadhyay
