General Profile of WMP Students

It has been observed that students across the batches have on average seven years work experience. The experience ranges from the minimum of three years as required by the programme admission criterion, to over twenty years. The industries represented by the students is a rich mix of manufacturing, IT, services, etc., across multiple functional domains, and from private, public sector and government organizations, as well as professionals and entrepreneurs, across various levels of organizational responsibility including general management and senior/top management levels. They bring in the wide variety of perspectives that are strength of this executive post graduate programme, and lead to an invigorating and challenging exchange of ideas.

The NOIDA Campus is being developed as a centre of excellence in the area of executive education. It is the IIML way of contributing to the industry and realizing its vision to remain at the forefront of management thinking and education.

This campus will be a vibrant nodal centre for post experience management education, research, consulting and corporate training.
