

INDIAN INSTITUTE OF MANAGEMENT LUCKNOW

Placement Brochure 2025-27

Post Graduate Programme
in Sustainable Management (PGP-SM)

PGP-SM at a Glance

IIM Lucknow takes pride in being the front-runner among the IIMs to introduce a programme that inculcates the essence of sustainability in conventional business education. PGP-Sustainable Management is a two-year, full-time postgraduate programme offered at the Noida campus. The programme is designed to help managers develop a holistic perspective and imbibe the ethos of

socio-environmental responsibility. It also equips them with the skills to assess and preserve stakeholders' interests in a dynamic and unpredictable environment. In addition to conventional business dimensions of finance, marketing, operations, and human resource management, the programme focuses on:

This criterion ensures that candidates are pre-equipped with a deep understanding of the corporate world and possess strong business acumen to better appreciate the rationale of business enterprises and the nuances of the complex environment in which they operate.

Director's Message

I proudly present the students of PGP-SM and cordially welcome you to take part in our placement process and jointly contribute to building sustainable societies.

We are presently at a juncture in human history when our businesses cannot be successful without roping in the crucial facets of sustainability within its strategy. Amalgamating such a strategy with the aspiration to maintain economic, social, and environmental synergy is one of the most crucial goals of modern leaders. This evolving paradigm brings into foray a new challenge in front of the leaders, finding individuals with the right level of empathy, intent, knowledge, skill, and experience to work for achieving the evolved ambition of their businesses. To cater to this ever-growing need of the businesses, IIM Lucknow, with its vision of providing socially conscious and globally relevant thought leadership, became a pioneer in introducing a dedicated two-year full-time Post Graduate Programme in Sustainable Management (PGP-SM) from its Noida campus. I proudly present the students of PGP-SM and cordially welcome you to take part in our placement process and jointly contribute to building

sustainable societies. The dynamics of global and national businesses are increasingly being shaped by sustainability concerns. In the last two decades, as societies and businesses have become more aware about environmental degradation and climate change, more emphasis is being put on understanding of associated socio-economic implications and sustainable development, which are vital for businesses and societies alike. Social, economic and environmental sustainability have emerged on the forefront of business strategy and businesses are increasingly aligning their vision so as to be consistent with the global vision as well as vision of the geographies in which they are present. The changed business environment and evolving domestic and global policies and regulations are forcing companies to deal with a wide range of stakeholders that have dynamically evolving, and often conflicting demands from business.

Professor M.P. Gupta
Director, IIM Lucknow

Message from Chairperson, Career Development Services

I proudly present the students of PGP-SM and cordially welcome you to take part in our placement process and jointly contribute to building sustainable societies.

Dear Recruiter-Partners: Festive greetings! It is my pleasure to welcome you to the forthcoming campus placements of the Post Graduate Program in Sustainable Management (PGP-SM) at IIM Lucknow. Over its decade-long journey, the PGP-SM program has earned its growing reputation as a preferred hub for budding managerial talent in sustainable management. This programme is contemporary and unique in its approach and content. The meticulously designed curriculum of PGP-SM emphasizes the application of theories and concepts to real-world business scenarios, through an applied learning approach, especially with summer placements, 6-months-long live integrated project with corporates, and an international immersion module. The immersive projects provide a holistic and contemporary understanding of sustainability issues, and instil the managerial skills

and mindset required to address sustainability needs and challenges in business, economy, and society. Furthermore, the PGP-SM cohort of student-managers are well-trained in analytical thinking and strategic problem-solving, and drawn from diverse academic and work experience backgrounds. The strong industry alignment of the PGP-SM program, designed and continually updated in consultation with industry experts, has ensured that our graduates are industry-ready from Day One. We are committed to creating a seamless and rewarding recruitment experience for your team. Our dedicated placement cell will work closely with you to understand your hiring needs and ensure that you meet the right talent for your organization. We look forward to welcoming you to our campus and forging meaningful, long-term partnerships that contribute to mutual success.

Professor Ranjan Kumar

Chairperson - Career Development Services, IIM Lucknow

Message from Chairperson, PGP - Sustainable Management

I proudly present the students of PGP-SM and cordially welcome you to take part in our placement process and jointly contribute to building sustainable societies.

Business ecosystem has been hugely impacted by several environmental and socio-economic factors in recent years. Global dynamics have driven rapid transformation of business landscape towards sustainable management that encompasses the focus on both profit and business responsibility. These developments have underscored the importance of a management education that specializes in sustainability. IIM Lucknow takes pride in being the frontrunner amongst the IIMs to design a programme that blends the conventional business education with Environmental, Social and Governance (ESG) principles.

PGPSM programme is specially designed to combine the classroom learnings with a 6 month long integrated live industry project and mandatory international immersion programme. The programme aims to integrate the theoretical frameworks and state-of-

the-art research in sustainability field with practical business cases.

In the past ten years, since the inception of the programme, we have successfully build a network of sustainability professionals who hold leadership positions in ESG, climate, environmental and sustainability domains in some of the world's most respected organizations. We envision that the rigorous training and extensive experience with real-world projects will equip the students with the knowledge and skills necessary to lead the corporate sector in sustainability space.

The current batch is a dedicated pool of students equipped with diverse skills required for advancing sustainability in business organizations. I am glad to introduce the PGPSM students and welcome you as a partner in fostering exemplary talent that can lead the transition towards sustainable business and society.

Dr. Dipti Gupta

Chairperson - PGP - Sustainable Management

Why Recruit from PGP-SM ?

Connected Education

With a mélange of professionals from backgrounds in consulting, energy, manufacturing, social sciences, IT, and logistics, and having held diverse functional roles such as project managers, designers, consultants, product managers, and government officers, PGP-SM encourages

diversity in thought and perspectives through peer learning. A wide range of group cases, role-plays, and projects facilitate a collaborative learning environment, developing leaders with the ability to create synergy by engaging with all stakeholders and earning certifications.

Field Experience

PGP-SM emphasizes practical learning through the international immersion programme and the two-month summer internship, enhancing industry exposure while building competence and character. A unique feature of the programme, the nine-month integrated project, provides

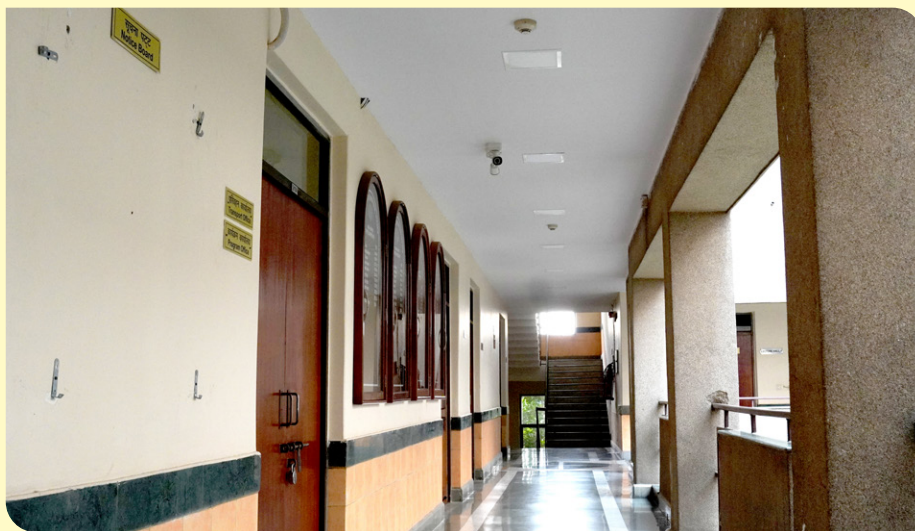

hands-on experience through direct collaboration with the industry and enables students with a minimum of two years' prior work experience to seamlessly transition into their careers.

Responsible Leadership

The PGP-SM programme harnesses a finely tuned selection process with a rigorous curriculum designed to develop leaders with multidimensional business mindsets. Leveraging unique pedagogical methods, every course

facilitates a steep learning curve. It gradually moulds professionals poised to create extensive sustainable value in a dynamic business environment."

Learning Outside the Classroom

The fully residential programme enables participants to take a holistic approach to augment their learning beyond the classroom. Participants are required to devote 45 hours outside the classroom to completing industry-driven projects spanning nine months and carrying 1.5 credits.

The diversity and collective experience of the participants are strong enablers that facilitate continuous mutual learning and growth, both as individuals and as team members. The close-knit group of participants ensures that group learning, as a process, is conducted effectively.

Students also participate actively in institute clubs to pursue their interests and, more importantly, to evolve as individuals with both intellect and empathy. They serve as the sole organizers of social events such as Dandiya Night, Ganpati Visarjan, Farewell, Nukkad Natak, Skits, Group Dance, Rangoli, and Aagman. They organize these events along with students of other programmes, which further exposes them to improved group dynamics, team management, and organizational skills.

Beyond the Classroom

Course Curriculum

Finance and Accounting

- Accounting Management
- Corporate Finance (Financial Decision Making)
- Project and Environmental Finance
- International Finance for SM (E)
- Corporate Valuation and Restructuring (E)
- Financial Inclusion and Microfinance (E)
- Investment Management (E)
- Management of Financial Services (E)
- Building and Managing Financial Institutions (E)

Legal & Public Policy

- Environmental Law and Policy
- Public Policy Processes and Institutions
- Legal Aspects in Management (E)

Human Resources

- Behavior in Organizations
- Business Communication
- Designing Work Organizations
- Human Resource Management
- Strategic Role of HRM in building Organizational Sustainability (E)

Economics

- Microeconomics
- Macroeconomics
- Environmental and
- Resource Economics

Marketing

- Marketing Concepts
- Consumer Behavior
- Services Marketing (E)
- Applied Marketing Strategy (E)
- B2B Marketing (E)
- Sales and Distribution (E)
- Product & Brand Management (E)
- Customer Relationship Management (E)

Sustainability

- Principles of Sustainable Management
- Sustainability: Measurement, Certification and Reporting
- Climate change, Environment and Externalities Trading
- Human Dimensions of Sustainability
- Systems Thinking
- Lifecycle Management
- Stakeholder Management and Corporate Social Responsibility
- Environment and Social Risk Management: ESG and EHS
- Social Entrepreneurship
- Creativity and Innovations for Sustainable Management
- Corporate Sustainable strategies and Leadership (E)

Operations

- Operations Management
- Supply Chain Management
- Healthcare operations Management (E)

IT and Systems

- Information Systems
- IT and Sustainability (E)
- Data analytics for business (E)

Strategy

- Strategic Management
- Applied Theory in Strategy and Competition (E)
- Mergers and Acquisitions Strategy (E)
- Strategic Alliances and Cross Sector Partnerships (E)

Decision Science

- Quantitative Analysis for Management-I
- Quantitative Analysis for Management-II
- Research Methods for Sustainable Management

Integrated Project

Students have a mandatory requirement of doing an Integrated Project with the industry for nine months during their second year. Integrated Project adds to their skills and makes them holistic leaders with the potential to be recruited as managers. Some of the organizations with which students have worked in the past are:

- 4PEL
- ACC
- CEEW
- JSW
- ABG
- Axis Bank
- Biocon
- Biome
- Environmental Solutions Pvt. Ltd.
- BPCL
- Cairn India
- Caspian Investments
- CDP
- Constems AI
- CSTEP
- Elara Capital
- Energyhive
- HCL
- Koshish Sustainable Solutions
- Tata Cleantech
- Centa Pvt. Ltd.
- GMR Hyderabad International Airport Limited
- TATA Steel
- IRIS Business Services
- EcoPrism
- Fortum
- NTPC
- IPE Global
- Levidia Infra Pvt. Ltd.
- M&M
- Medplus
- Morning Star
- MRIDA
- Nedspice
- PayU
- Puma
- PwC
- ReNew Power
- Sage Consultancy
- Sattva Consulting
- Sustainable Square
- SWEEP
- Enviro Pvt. Ltd.
- EY
- ITC
- Marico
- Schneider Electric
- Confederation of Indian Industry (CII)
- Indicc Associates
- ESAF Small Finance Bank
- Brevistay
- Tata Capital Limited
- Group
- Tata Trusts
- Treenii Sustainability Solutions
- UltraTech
- UPL
- Valluri
- Welspun
- Wipro
- Yes Bank
- Zinnov Consulting
- Environ mentors
- Climatirz
- EPSS
- Britannia
- Cytechak Solutions
- Social Alpha
- Envint Global
- Altromondo
- Kleen Hub
- Momentum India
- IIEC
- Fourth Partner Energy Limited
- Climate Bonds Initiative
- Godrej Industries Limited
- CapitalSage Holdings
- Prayas Group
- IRIS
- Coal India
- World of Gears
- MakeMyTrip

- Social Lab
- Sambodhi Research & Communications Pvt. Ltd

International Immersion

The concept of sustainability mandates a 'Global' perspective which includes an in depth understanding of localized risks and challenges as well as a unified global strategy to strive towards holistic development. The international immersion module sensitizes the participants towards the best practices and robust administrative structures which exist in countries like Sweden and Denmark which are considered pioneers of sustainable development. A two-week sojourn in world renowned institutions like Linne University, Maastricht school of management is aimed at enriching the experience of a meaningful immersion. The rigorous academic

schedule is highly complemented with a conscious and deliberate industry interaction with experts from organizations such as IKEA of Sweden, Dong Energy, Rockwool and Volvo, Electrolux which are Industry benchmarks for sustainability in their respective sectors. Moreover, the participants actively engage with local municipal bodies and citizen groups who are often instrumental in bringing about behavioral changes in society towards sustainable living. The programme also creates a platform for cultural exchange among participants and the local community.

Leadership Talk Series

At IIM Lucknow – Noida Campus, a series of guest lectures by distinguished business leaders, policymakers, and eminent entrepreneurs takes place throughout the year. This student-driven initiative bridges the gap between classroom learning and real-world business challenges by bringing in industry experts. Each session enriches

participants' perspectives on emerging trends and contemporary issues in the global business world.

The lecture series creates a pathway between academia and industry, enabling young professionals to connect, learn, and eventually become solution providers for pressing global challenges.

Guest Speakers

Mr. Stefano Pelle Managing Director, Ferrero India	Mr. Bijan Mishra Senior VP, Reliance Power	Mr. Sanjib Bezbaroa VP, ITC	Mrs. Umit Bhatia Director – Sustainability, JLL

Abhishek Harsh

Campus ID : PGPSM11001

- ♦ **MBA Specialization** : Sustainable Management
- ♦ **Graduation College** : Delhi Technological University
- ♦ **Graduation Stream** : B. Tech
- ♦ **Graduation Specialization** : Electrical Engineering
- ♦ **Profile Summary** : Abhishek is a professional with 5 years of experience in telecom R&D, combining technical expertise with strategic thinking and business insight. He excels in project leadership, cross-functional collaboration, and driving operational efficiency. Known for delivering measurable impact, Abhishek is adept

at managing complex projects and optimizing processes in dynamic, high-stakes environments.

♦ **Work Experience** :

1. Ciena

♦ **Key Skills**

1. Strategic Planning & Execution
2. Project & Operations Management
3. Problem Solving & Analytical Thinking
4. Cross-functional Team Leadership
5. Process Optimization

Aman Raj

Campus ID : PGPSM11002

- ♦ **MBA Specialization** : Sustainable Management
- ♦ **Graduation College** : National Power Training Institute, Delhi
- ♦ **Graduation Stream** : B. Tech
- ♦ **Graduation Specialization** : Power Engineering
- ♦ **Profile Summary** : Aman is an experienced professional with 4+ years in power and energy regulation, trading, and operations. He is skilled in regulatory strategy, stakeholder engagement, and compliance. He has contributed to drafting carbon trading regulations and delivering optimized

power transactions. He has a strong record of improving efficiency and ensuring transparency in regulatory processes within the energy sector.

♦ **Work Experience** :

1. Central Electricity Regulatory Commission
2. PTC India
3. Indian Energy Regulatory Services

♦ **Key Skills**

1. Stakeholder Engagement & Strategic Support
2. Data Analysis & Reporting
3. Project Coordination & Execution

Anjali

Campus ID : PGPSM11003

- ♦ **MBA Specialization** : Sustainable Management
- ♦ **Graduation College** : Gargi College, Delhi University
- ♦ **Graduation Stream** : B. Com
- ♦ **Graduation Specialization** : General
- ♦ **Profile Summary** : Anjali is a Commerce graduate from Gargi College, Delhi University, with 34 months of experience as an Incubator Associate at XLRI Delhi-NCR in their Entrepreneurship Program and Incubation Centre. She has contributed to the entrepreneurship ecosystem by enabling startup growth, enhancing

investor engagement, and driving process improvements.

♦ **Work Experience** :

1. XLRI

♦ **Key Skills**

1. Adaptability
2. Cross-functional Team Management
3. Effective Communication
4. Stakeholder Management
5. Team Player

Ankit Deore

Campus ID : PGPSM11004

- ♦ **MBA Specialization** : Sustainable Management
- ♦ **Graduation College** : Sardar Patel College of Engineering, Mumbai
- ♦ **Graduation Stream** : B. Tech
- ♦ **Graduation Specialization** : Electrical Engineering
- ♦ **Profile Summary** : Ankit is a Product Manager with four years of experience at AU Small Finance Bank and Axis Bank, where he led digital onboarding initiatives to enhance customer satisfaction and financial inclusion. He has held leadership roles, and has represented sports teams, winning

multiple events. He is passionate about calisthenics and hiking.

- ♦ **Work Experience** :

1. AU Small Finance Bank
2. Axis Bank

- ♦ **Key Skills**

1. Analytical & Problem-Solving Skills
2. Strategic Thinking
3. Stakeholder Management
4. Leadership & Team Management
5. Risk Management

Arnab Saha

Campus ID : PGPSM11005

- ♦ **MBA Specialization** : Sustainable Management
- ♦ **Graduation College** : University of Engineering and Management, Kolkata
- ♦ **Graduation Stream** : B. Tech
- ♦ **Graduation Specialization** : Electronics and Communication Engineering
- ♦ **Profile Summary** : Arnab Saha has an engineering background with 30 months of experience at TCS driving Industry 4.0 transformation for Tata Steel Netherlands. He is skilled in MES consulting, process optimization, and data analytics (SQL, Power BI, AI/ML). He is also certified in UN Net Zero 101, has led sustainability initiatives,

community engagement, and inclusive development.

- ♦ **Work Experience** :

1. Tata Consultancy Services

- ♦ **Key Skills**

1. Manufacturing Execution Systems (MES) Implementation
2. Database Optimization
3. Data Visualization & Dashboards
4. Workflow Automation & Process Efficiency
5. Sustainability & Digital Transformation Strategy

Ayush Thakur

Campus ID : PGPSM11006

- ♦ **MBA Specialization** : Sustainable Management
- ♦ **Graduation College** : NIT Hamirpur
- ♦ **Graduation Stream** : B. Tech
- ♦ **Graduation Specialization** : Electronics and Communication Engineering
- ♦ **Profile Summary** : Ayush is a sustainably driven Logistics Consultant with work experience of 3+ years mainly working to make company's logistics capability efficient and cost effective. He has also assumed various positions of responsibility in undergraduate degree like Training and Placement Coordinator, Club Coordinator and Class Representative

- ♦ **Work Experience** :

1. Accenture Technology
2. Capgemini Technology Services

- ♦ **Key Skills**

1. Data Driven Decision Making
2. Strategic Consulting
3. Client and Cross Team Communication
4. Mentoring

Ayushi Agrawal

Campus ID : PGPSM11007

- ♦ **MBA Specialization** : Sustainable Management
- ♦ **Graduation College** : Hansraj College, Delhi University
- ♦ **Graduation Stream** : B. Sc. (Hons)
- ♦ **Graduation Specialization** : Computer Science
- ♦ **Profile Summary** : Ayushi is a Computer Science graduate from Hansraj College with 3.5 years of Product Management experience in B2B tech for leading FMCG & Consumer brands. She is passionate about leveraging innovation and strategy for sustainable impact. She

is now exploring business, tech, and sustainability at IIM Lucknow.

- ♦ **Work Experience** :
 1. Love In Store Technologies
- ♦ **Key Skills**
 1. Strategic Thinking
 2. Adaptability & Learning Agility
 3. Impact Orientation

Bhawesh Kumar

Campus ID : PGPSM11008

- ♦ **MBA Specialization** : Sustainable Management
- ♦ **Graduation College** : Heritage Institute Of Technology, Kolkata
- ♦ **Graduation Stream** : B. Tech
- ♦ **Graduation Specialization** : Electronics and Communication Engineering
- ♦ **Profile Summary** : Bhawesh is an Electronics and Communication engineer with experience as a results-driven Backend Developer for 4 years, possesses a strong proficiency in JAVA and SpringBoot. He excels at designing and implementing scalable Microservices. He has a strong belief in technology

fused with environment can create a long term impact to provide a better solution for this planet.

- ♦ **Work Experience** :
 1. Infosys
 2. Vedantu Innovations
- ♦ **Key Skills**
 1. Problem Solving
 2. Team Player
 3. Stakeholder Management

C Kaustubh Visesh Gupta

Campus ID : PGPSM11009

- ♦ **MBA Specialization** : Sustainable Management
- ♦ **Graduation College** : RV College of Engineering, Bengaluru
- ♦ **Graduation Stream** : B. E.
- ♦ **Graduation Specialization** : Mechanical Engineering
- ♦ **Profile Summary** : Kaustubh is a Mechanical Engineer with 55 months of experience with Maruti Suzuki India Limited in the After-sales division. As a Territory Service Manager, he was recognised as Star Performer for 2 consecutive years. He possesses a consistent academic record with 94%+

in 10th and 12th Std and distinction at the undergraduate level.

- ♦ **Work Experience** :
 1. Maruti Suzuki India Limited
- ♦ **Key Skills**
 1. Stakeholder management
 2. Situational Leadership
 3. Problem - Solving
 4. Process Optimisation
 5. Team Development

Chulliparambil Chandini Suresh

Campus ID : PGPSM11010

- ♦ **MBA Specialization** : Sustainable Management
- ♦ **Graduation College** : University of Mumbai
- ♦ **Graduation Stream** : B. E.
- ♦ **Graduation Specialization** : Mechanical Engineering
- ♦ **Profile Summary** : Chandini is a Mumbai University Bronze Medallist and Mahalakshmi/TFWS scholar, and is a Mechanical Engineer with 4.5+ years of experience in oil & gas and manufacturing. She has delivered sustainability savings worth ₹10Cr, driven ESG compliance, and earned multiple awards. A published

researcher and NGO leader, she blends technical excellence, project execution, and social impact.

♦ **Work Experience** :

1. Montreal International G.T.C WLL
2. Hindustan Petroleum Corporation Limited
3. Supreme Steelfabs

♦ **Key Skills**

1. Project Management
2. Economic Planning & Scheduling
3. Plant Operations
4. Leadership & Networking
5. Critical Thinking and System Designing

Danish

Campus ID : PGPSM11011

- ♦ **MBA Specialization** : Sustainable Management
- ♦ **Graduation College** : New Law College, Bharati Vidyapeeth Deemed to be University
- ♦ **Graduation Stream** : B.A. L.L.B.
- ♦ **Graduation Specialization** : Business Law
- ♦ **Profile Summary** : Danish is an organized and dependable law graduate, successful at managing multiple priorities with a positive attitude. He is willing to take on additional responsibilities to meet team goals. He is a detail-oriented team player with strong organizational

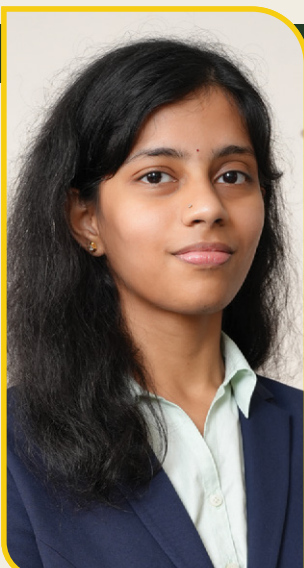

skills, able to handle multiple projects simultaneously with a high degree of accuracy.

♦ **Work Experience** :

1. Manav Nirman Samiti

♦ **Key Skills**

1. Problem Solver
2. Risk Management and Strategic Thinking
3. Good Communicator
4. Leadership
5. Business Acumen

Harshita Darlapudi

Campus ID : PGPSM11012

- ♦ **MBA Specialization** : Sustainable Management
- ♦ **Graduation College** : NIT Warangal
- ♦ **Graduation Stream** : B. Tech
- ♦ **Graduation Specialization** : Chemical Engineering
- ♦ **Profile Summary** : Harshita, a Chemical Engineering graduate from NITW, has been awarded 3 Institute Merit Scholarships. During her 34 months at RIL as a Process Engineer, she created novel processes, optimized numerous plant operations, minimized energy consumption by eliminating bottlenecks, and consistently demonstrated agility, cross-functional

collaboration, change management, and mentoring abilities. Outside work, she enjoys playing badminton.

♦ **Work Experience** :

1. Reliance Industries Limited

♦ **Key Skills**

1. Agility & Adaptability
2. Collaborative
3. Detail Oriented
4. Resilient

H P Abhishek

Campus ID : PGPSM11013

- ♦ **MBA Specialization :** Sustainable Management
- ♦ **Graduation College :** Dayananda Sagar College of Engineering, Bangalore
- ♦ **Graduation Stream :** B. E.
- ♦ **Graduation Specialization :** Mechanical Engineering
- ♦ **Profile Summary :** H P Abhishek is a proactive operations and supply chain professional with experience at Flipkart, Meesho, and DHL. Skilled in data analytics, process optimization, and cross-functional leadership, he has driven significant improvements in logistics efficiency, SLA compliance, and operational excellence.
- ♦ **Work Experience :**
 1. Meesho
 2. Flipkart
 3. DHL Supply Chain Management
- ♦ **Key Skills**
 1. Operations Management
 2. Data Analytics
 3. Process Improvement
 4. Supply Chain Optimization
 5. Stakeholder Coordination

Harish Kumar Singh

Campus ID : PGPSM11014

- ♦ **MBA Specialization :** Sustainable Management
- ♦ **Graduation College :** Birla Institute of Technology, Mesra
- ♦ **Graduation Stream :** M. Pharm.
