

Overview

IIM Lucknow PGP - Sustainable Management completed its Final Placements, with participation from 60+ companies across Sustainability and General Management domains. The placement process reflected a diverse role mix, with 23% of roles offered in Sustainability and 77% in General Management. This distribution highlights an emerging trend where sustainability responsibilities are increasingly being integrated into broader general management roles, reflecting the growing mainstream adoption of sustainability principles across business functions. Students received opportunities across ESG Consulting, Corporate Sustainability, Strategy & Consulting, Product Management, IT & Analytics, Sales, Operations, Supply Chain, Finance, and Program Management. The highest CTC offered stood at INR 45.37 LPA, while the average CTC was INR 22 LPA and the median CTC was INR 20.5 LPA. The top 25% of the batch secured an average CTC of INR 30.31 LPA, while the top 50% achieved an average CTC of INR 25.80 LPA. Prominent recruiting partners included Bain, Morgan Stanley, Accenture Strategy and Consulting (S&C), Deloitte, EY, PwC, Tiger Analytics, Genpact, LTIMindtree, and ClariSights, among others.
