

IIM LUCKNOW · FACULTY DEVELOPMENT PROGRAMME

SimLabs

A Pedagogy Lab for Simulation Development and Simulation-Based Teaching

A Three-Day Residential Simulation Development and Teaching Pedagogy School

19–21 February 2027

3 days

IIM Lucknow campus

THREE ROUNDS, THREE DAYS

01

Design a simulation

Turn real organisational decisions into rules, scoring logic and feedback loops. Work in small groups to draft a simulation storyboard for your own course.

02

Teach with it

Frame the game, run live rounds, manage time-boxed decisions and lead debriefs that link outcomes back to course concepts, with peer feedback.

03

Deploy it hands-on

Play and debrief three MS Games simulations hands-on, including technical setup, then turn your Day 1 draft into a classroom-ready simulation.

WHO SHOULD JOIN

Faculty, postdocs and PhD scholars in management and allied areas. No simulation experience needed.

PROGRAMME DIRECTORS

Prof. Girish Balasubramanian
HRM, IIM Lucknow

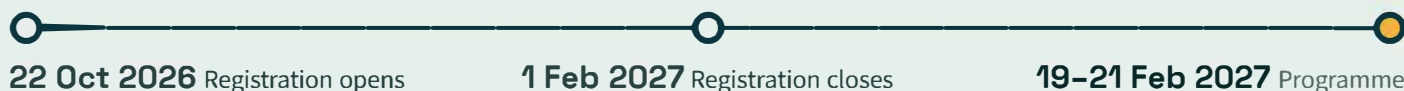

Prof. Arvind Shroff
OSCM, IIM Lucknow

FEE (INCL. GST)

Academicsians ₹18,000

Scholars ₹12,000

Limited accommodation at actuals, first come, first served

Your move. Register by 1 February 2027.
