

## Call for Applications: Research Associate

Indian Institute of Management Lucknow  
Noida Campus, Sector 62  
Noida – 201307, India

The Indian Institute of Management Lucknow (IIM Lucknow), Noida Campus invites applications for the position of Research Associate for an ongoing research project.

Position: Research Associate, Number of Positions: 01

Project Area: Economics, Household-level Data Analysis, and Econometrics

Tenure: Nine months on a contractual basis (extendable by up to an additional Nine months based on performance and project requirements).

**Minimum Qualification:** Applicants must hold at least a Master's degree in Economics, Statistics, Commerce, or Management. Candidates with strong training in econometrics, data handling, and academic writing will be given preference.

**Job Responsibilities:** The selected candidate will assist a faculty member in research-related activities, including data analysis, literature review, empirical work, and preparation of research outputs.

**Stipend:** A consolidated monthly stipend ranging from INR 27,000 to INR 32,000, depending on qualifications and experience.

**Application Process:** Interested candidates should send their detailed CV via email to Prof. Chandan Sharma at **chandaniiml@live.com**

**Deadline:** Applications must be received by February 22, 2026. Only shortlisted candidates will be contacted via email for an interview, which may be conducted either online or at the IIM Lucknow Noida Campus.

**About IIM Lucknow:** IIM Lucknow aims to be a globally recognized, socially conscious, and integrated institution for management education and research. The institute undertakes a wide range of academic and research initiatives focused on the creation, dissemination, and application of management knowledge in India and abroad.

### **Important Instructions for Applicants:**

In the body of the application email, please clearly mention the following details in sequence:

1. Subject line: Application for Research Associate
2. Name of your Master's program
3. Your relative performance in the Master's program
4. List of economics-related courses completed
5. Details of any relevant internship or full-time work experience
