- i. **Overview:** The work comprises repair and renovation of the Placement Office (two rooms) at IIM Lucknow — including interior finishing, modular furniture, false ceiling and soft furnishing — together with the complete renovation of the attached Placement Office toilet block. The work is to be executed in an occupied academic/ administrative building and shall be completed in all respects as per the enclosed Bill of Quantities, drawings and the directions of the Engineer-in-Charge.
- ii. **Scope of Work:**
- Removing existing dry or oil bound distemper, waterproofing cement paint and the like by scraping and sand papering, and preparing the wall surface smooth including necessary repairs to scratches etc. complete.
 - Dismantling of existing tile work in floors, removal of redundant fixtures and fittings, stacking of serviceable material and disposal of building rubbish/malba to the approved municipal dumping ground.
 - Providing and applying white cement-based putty of average 1 mm thickness of approved brand over the plastered wall surfaces to make the surface even and smooth.
 - Applying priming coat with water thinnable cement primer of approved brand having VOC content less than 50 grams/ litre on walls and ceiling.
 - Wall and ceiling painting with acrylic emulsion paint (VOC content less than 50 grams/ liter) of approved brand in two or more coats to achieve an even shade and colour.
 - Providing and fixing premium self-adhesive waterproof decorative wallpaper of approved design, thickness, texture and finish over walls and ceiling, including suitable additional adhesive, complete.
 - Providing and making modular office furniture — storage cabinets with drawers, wall mounted cabinets with shelves, work tables with drawers, bookshelves with glass doors and conference table — fabricated in termite proof marine (Conforming to IS 710) of approved make with 1 mm laminate, including all hardware, fittings, cut-outs, buffers, switch/ socket cut-outs and desk cable grommets, as per approved design and drawing.
 - Supply and placing of sofa (4 Nos.) of approved design, make and upholstery as directed by the Engineer-in-Charge.
 - Repair and refurbishment of existing revolving chairs — replacement of damaged base plates, hydraulics, handles and castor wheels, and replacement of damaged cushion and fabric of seats and backs, complete job in all respects.
 - Providing and fixing false ceiling densified 8 mm thick calcium silicate tegular edged false ceiling tiles on interlocking hot dipped galvanized iron T-grid at all heights, including perimeter wall angle, hangers, level adjusters and cut-outs for light fittings, diffusers, grilles and detectors.
 - Providing and fixing blackout Roman blinds of approved cloth of 250 GSM, design, colour and finish, complete with all accessories, fittings and fixing.
 - Providing and **laying 600 x 600 mm** vitrified tile flooring of approved brand and shade with water absorption less than 0.08% (IS: 15622), laid on cement-based polymer modified quick set tile adhesive (IS: 15477), including grouting of joints.
 - Filling the gap between aluminum frames and adjacent RCC/ brick/ stone work by providing weather silicone sealant over backer rod of approved quality as per architectural drawings.
 - Post-construction anti-termite treatment of the building by drilling and by spray, conforming to IS 6313 (Part 3): 2001, complete as per specification.
 - Toilet block: dismantling of existing wall and floor tile work, W.C. pan, urinal and wash basin, existing G.I. water supply pipes (external and internal), and taking out existing door/ window shutters, including stacking and disposal of malba.
 - Toilet block: providing and **laying 600 x 600 mm** vitrified tiles in flooring and skirting laid on quick set tile adhesive, including epoxy grouting of joints as directed.

- Toilet block: repairs to existing plaster of 12 mm to 20 mm thickness in patches in cement mortar 1:4, and renewing of 4 mm float glass panes with putty and nails including racking out old putty.
- Toilet block: providing and fixing white vitreous china lipped front urinal basin of (Approved make and Design) with standard flush pipe, C.P. brass spreaders, brass unions and G.I. clamps, including cutting and making good the walls and floors.
- Toilet block: providing and fixing concealed CPVC hot and cold-water supply lines of 20 mm, 25 mm and 40 mm nominal outer diameter, including all CPVC plain and brass threaded fittings, clamps, cutting of chases, making good the walls and testing of joints.
- Toilet block: providing and laying UPVC soil, waste and drainage pipes of 75 mm, 90 mm and 110 mm diameter, square-mouth S.W. gully trap with C.I. grating and masonry chamber, P/ S traps, C.P. brass bottle traps and S.S. trap jalis, complete.
- Toilet block: providing and fixing C.P. and sanitary fittings — long body pressmatic auto-close basin tap, two way bib cock, health faucet, angle valves, concealed stop cock, gun metal gate valve, soap dispenser, paper towel dispenser, S.S. towel rod and 5 mm looking mirror with wooden frame.
- Toilet block: providing and fixing 18 mm thick mirror polished granite window sill, 15 mm thick densified calcium silicate false ceiling on galvanised steel grid, hydraulic door closer, stainless steel handles and brass floor door stopper, and repair/ refixing of the existing wooden door shutter including replacement of hinges.
- Toilet block: finishing the ceiling and walls with deluxe multi-surface paint system over one coat of special primer, and painting of steel/ wooden members with synthetic enamel paint in two coats — all complete including scaffolding, protection of existing furniture and equipment, daily site cleaning and handing over.

iii. **Coordination, Site Conditions and Working Hours**

1. The Contractor shall coordinate and cooperate fully with the Electrical, Networking, IT and other agencies/contractors engaged at the site to ensure proper and timely completion of the work. Any minor civil modifications, cutting, making good or allied civil works required for proper execution and completion of electrical, networking or other services shall be carried out by the Contractor without any additional cost to the Institute.
2. The Contractor shall ensure that the ongoing activities do not cause any disturbance, obstruction or inconvenience to the functioning of other parts of the office. The work area shall be kept clean and orderly at all times, and the Contractor shall undertake daily cleaning and removal of debris, waste and surplus materials from the site.
3. The work shall be executed strictly as per the availability and handing-over of the site by the User Department. Considering the sensitive nature of the installation and the requirement to minimise disruption to office operations, the Contractor may be required to carry out certain activities during **off-hours, late night/early morning hours, weekends or holidays**, as directed by the Engineer-in-Charge/User Department.
4. The Contractor shall make all necessary arrangements, including deployment of adequate manpower and supervision, to execute the work during such hours. **No additional payment or claim on account of working during off-hours, night hours, early mornings, weekends or holidays shall be admissible.**

All the detailed specification of is mentioned in bill of quantity enclosed with this tender document. The contractors are advised to read all the specifications carefully before quoting the percentage rate.

(Signature of contractor)

4.0 INSTRUCTIONS TO TENDERERS

- 4.0 Indian Institute of Management shall not be bound to accept the lowest tender and reserves the right to reject any or all the Tenders without assigning any reason at any stage of Bidding.

For civil, interior and sanitary/ plumbing work DSR 2023 rates were taken in BOQ.

For market rate items, the rates were taken based on previous tender rates. Item/Description /specification in the BOQ can be different from the standard market item description of any DSR item. Bidders are advised to thoroughly read the BOQ item, understand the type and quantum of works against each item

And also, thoroughly check the rates against each item before quoting their percentage rates on the BOQ rates given in

the price bid. Any claim regarding the

difference in BOQ description/specifications from that of the DSR item /rates will not be considered/entertained later.

- 4.1 Tender Documents shall be duly filled & uploaded within the last date of submission as mentioned in the tender NOTICE. Late tenders and conditional tenders shall not be accepted. The last date for receipt of Tender will not be extended under any circumstances, unless otherwise the date is declared a holiday for IIM Lucknow, in which case the next working day will be treated as the last date of receipt of Tender document.
- 4.2 In view of the unsatisfactory performance of the previous Civil AMC contractor during the contract period 2024–2026, the said contractors of 2024-26 AMC civil/ Painting shall not be eligible to participate in the present bidding process. Further, any firm/ company having any affiliation, association, partnership, common ownership, common directors/ partners, or the owner/ proprietor has any relationship with the previous Civil AMC contractor (2024– 2026), as determined by the Institute, shall also be ineligible to participate in the bid. If, at any stage of the tendering process or during the execution of the contract after award, it is found that the successful bidder has concealed such affiliation or is otherwise ineligible under this condition, the bid shall be rejected or, if the contract has already been awarded, the AMC shall be terminated forthwith, without prejudice to any other action available to the Institute under the tender conditions or applicable law.
- 4.3 Financial bid must be filled and submitted in the prescribed formats given on the CPP portal separately. A sample format of the financial bid has been attached with the technical bid just for the understanding of the bidders. This is required to be kept blank and just signed and stamped along with the other documents of this Tender. If filled in financial bid is found along with the technical bid of this Tender, then the Tender shall be straight away rejected.
- 4.4 Tender must be valid for a minimum period of 7 from the date of opening. If the Tenderers modifies his tender or revokes the same during this period, the tender may, at the discretion of IIM Authorities, be treated as non – bonafied and cancelled and earnest money will be forfeited.
- 4.5 This being a Percentage Rate the rate quoted shall remain firm and errors if any in the extension / total shall be subject to corrections. The Estimated quantities/ Amount of Work involved stipulated above/ in the price bid are approximate and hence any reduction / increase thereof during the currency of the contract shall not vitiate the contract. The approximate estimate value of this work is indicated in NIT. This estimate is however no guarantee and is merely given as rough guide. If the work costs more or less, Tenderers will have no claim on that account. Quantities can vary to any extent. No claim for compensation in this regard will be entertained.
- 4.6 This is a Percentage Rate Tender. Percentage Rates to be quoted above or below the estimated cost shall be applicable to each and every item rate given in the price bid format. The rate quoted by the tenderer shall be the total sum of material & labor at the IIM Lucknow campus, Lucknow including of GST. The bidders are advised to consider and understand that the percentage rates requested in the BOQ enclosed at price bid of this Tender are inclusive of GST. The rates given against each item in the price Bid are including GST, including all other Taxes/ duties etc. So bidders should carefully quote the percentage rates above or below in the price bid, considering that percentage quoted will be applicable on each and every item Rate of the price bid and any claim to revise any specific item Rate on the basis of any variation in the quantity of such item will not be considered.

The rates given in BOQ are just reference rates and are inclusive of GST component applicable as on date. So whatsoever percentage below or above quoted by bidder shall be inclusive of GST @ 18% as applicable for each and every item. **The reverse calculation of GST component from the overall billed amount will be done while processing the bill.** GST TDS (CGST, SGST) of 2% shall also be deducted from each and every bill of contractor. (Please read the BOQ items thoroughly as some requirements as per the site had been added in the item specifications of the BOQ).

The rates given in BOQ / are just reference rates and are inclusive of GST component applicable as on date with no correlation to any ruling/ memorandum given by CPWD or any state/ central govt. Department at any time of the contract relating to any cost index/ cost escalation/ relaxation etc. No claim by the contractor for any escalation/ relaxation/ cost index/ fuel etc. component addition will be considered by the Institute during the contract period no matter what soever ruling/ policy is implemented by CPWD or any other department.

4.7 If any discrepancy / misprint is Noticed in specification or BOQ or rates, it should be clarified from the Institute before quoting the rate.

If any discrepancy in between the price bid format of this Tender document and macros enabled excel file of the actual price bid on CPP portal is observed by the Bidder or if any item unit/ rates are found illogical/ impractical then in that case the same has to be brought to the notice of the Institute before the last date of submission. So that the required correction/ corrigendum can be made. If such issue is found at the later stage after award of the work either by the Contractor or by the Institute, then the logical decision based on the standard practice and as per the Institute's internal documentation shall be taken by the Institute and the same decision will be binding to the contractor and no claim whatsoever will be entertained in this regard.

4.8 Following procedures shall be adopted in case of difference in quoted rates in figures and words and extensions:

- a. Where there is difference between rates in figures and the rates, quoted in words shall be considered as correct.
- b. Where the amount of an item is not worked out or it does not correspond to the rate either in figure or in words, the rates quoted in words shall be considered as correct and necessary extension made.
- c. Where the rate quoted by the tenderer in figures and in words tally, but the amount is not worked out correctly, the rates quoted by the tenderer shall be considered as correct and amount shall be corrected accordingly.
- d. In case there is discrepancy in between the unit/ rate/ rates of any/ some items stipulated in financial bid and sample price bid enclosed with the Technical Bid, the same has to be brought to the Notice of the Engineer in charge and his decision will be final and binding to both the parties.

4.9 The Indian Institute of Management, Lucknow do not bind themselves to accept the lowest or any other tender and reserve the right to accept or reject any or all the tenders either in full or in part without assigning any reason.

4.10 The tender shall be opened & evaluated by the tender opening committee and the successful tenderer shall be informed. Decision of the Tender Opening Committee will be final and binding. Claim by any bidder consider/ reconsider the qualification of his or any other participant bidder after declaration of the Technically Qualified bids will be straightaway rejected.

Further, if it is found that any bidder is intentionally making false claims in order to either to get the award of the work or to get any other participant bidder disqualified then this bidder will be debarred permanently from bidding with IIM Lucknow.

4.11 If any of the document submitted by the tenderer is found fake, even after the acceptance of tender, the contract will be terminated for which the concerned tenderer will itself be responsible and no compensation, etc., will be paid by the IIM, Lucknow.

4.12 The Director, Indian Institute of Management, Lucknow has reserved the right to reject one or all the tenders without assigning any reason. No claim, whatsoever, shall be entertained on this account.

4.13 5% of the payable bill value of each work will be retained from each bill as defect liability period & shall be released after completion of Defect Liability Period. The Defect liability period will be 12 Months except any item of Anti termite treatment and Water proofing work. The Retention money/ Security Deposit deducted above shall be refunded to the contractor after the completion of the stipulated Defect liability period. No interest shall be paid on this retention money/ security deposit.

4.14 This being Percentage Rate contract, the rate quoted shall remain firm and errors if any in the extension / total shall be subject to corrections. The Estimated quantities/ Amount of Work involved stipulated above/ in the price bid are approximate and hence any reduction / increase thereof during the currency of the contract shall not vitiate the contract. The approximate estimate value of this work is indicated in NIT. This estimate and Quantity however are not guarantee and merely given as rough guide, and if the work costs more or less or the Quantities varies to any extent plus or minus, Tenderers will have no claim on that account.

4.15 The tenderer shall not be at liberty to withdraw or modify his tender or any terms and conditions thereof before the expiry of said period. Tenderers are expected to clarify only such points as asked for specifically by

the Accepting Officer in writing. Any withdrawal or modification made within the said period constitutes breach of contract and the tenderer shall be liable for damages to the Institute in consequence thereof. He shall in addition forfeit to the Institute, the EMD.

- 4.16 Any tender which proposes any alterations to any of the conditions lay down or proposes any other conditions of any description whatsoever is liable to be rejected.
- 4.17 The EMD shall not carry interest and will be refunded to the tenderers, if the tender is not accepted, unless the same is forfeited to the Institute for any breach on his part. If his tender is accepted, the Earnest Money will be converted into Performance Security Deposit as stipulated.
- 4.18 The drawing (if any) should be returned along with the tender documents with duly signed.
- a) The tender should be accompanied by a certified true copy of the power of attorney of the signatory of the documents.
 - b) Tenderers shall ensure that their tender is up loaded well in advance before the time and date stipulated in the tender notification/documents.
- 4.19 Under no circumstances will a father and his son(s) or other close relations who have business dealing with one another be allowed to tender for the same contract as separate competitors. A breach of this condition will render the tender of both parties liable for rejection.
- 4.20 The submission of a tender by a tenderer implies that he has read all the terms and conditions of contract and has made himself aware of the scope and specifications of the work to be done and local conditions and other factor bearing on the execution of the work.
- 4.21 The agencies whose contract were terminated/ are in litigation with IIM Lucknow or are debarred on account of nonperformance in IIM Lucknow's work or have any criminal case in any police station/ court of India will not be eligible for bidding this tender.
- 4.22 Since this is an electronic mode of tendering, any manual or mechanical errors committed before uploading or during the process of uploading the document shall bound to be duly accepted by the Tenderers. The Tenderers shall not have claim whatsoever in this regard.
- 4.23 Tenderers are required to make the DATA ENTRY of the Percentage Rate in figure and rate in words, which will be applicable to all the items stipulated in Price Bid in the prescribed format as given in part B of the Tender (financial bid).
- 4.24 The Tenderers shall download and sign the LETTER OF UNDERTAKING of the document and upload the same along with other documents.
- 4.25 Tenders of those Tenderers who fulfill the criteria mentioned above will only be considered for opening of Price Bid. Tenders received without earnest money/ copy of MSME certificate (for exemption of Earnest Money Deposit) or those which are incomplete or invalid or conditional will be rejected and no correspondence will be entertained in case of rejection.
- 4.26 Contractors / agencies are subject to be disqualified, even though they meet the qualifying criteria, if they make misleading or false representations in the request, statements and attachments submitted in proof of qualification requirements including holding information and or have record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures, requesting for claims not admissible under the contract conditions, etc..
- 4.27 All dispute and discrepancies relating to this tender shall be governed by law of India and shall be subject to jurisdiction of court at Lucknow U.P. state.
- 4.28 The Institute reserves the right to accept any tender either in full or in part, to reject all the tenders or

distribute the work in more than one agency without assigning any reason. Decision of the Institute in this regard shall be final and binding to the Bidder. The bidder/ bidders in such case cannot claim any compensation for change in the scope / Qty. of work.

4.29 These instructions to Tenderers shall be deemed to form an integral part of the contract to be entered for this work.

4.30 GST/ Taxes:

GST or any other tax applicable in respect of inputs procured by the contractor for this contract shall be payable by the Contractor and Institute will not entertain any claim whatsoever in respect of the same.

Rates are inclusive of GST as Applicable. Contractor and Institute will not entertain any claim whatsoever in respect of the same. Rates are inclusive of GST.

4.31 Where the tender schedule contains special items of work, it will be entirely at the discretion of the Institute to delete these items from the Price Bid and allot these items of work to other Contractors specialized in these works. In such cases, the main Contractor will have to render all necessary co-operation to the other agencies involved so as to ensure smooth progress of all work.

4.32 The Contractors responsibility for this contract shall commence from the date of commencement mentioned in the work order which will be issued by the Engineer-in- Charge after acceptance of work.

4.33 If the tenderer deliberately gives wrong information in his tender or creates conditions favorable for acceptance of his tender, the Accepting Officer reserves the right to reject such tender at any stage, forfeit the EMD, and take Administrative Action against the tenderer like non-issue of tenders etc., as deemed fit by the Accepting Officer.

4.34 At any time, even after award of contract also, if it will be found that the tenderers have deliberately given wrong information or false credentials at the time of tender or at any other time in connection with the contract, IIM, Lucknow reserves the right to reject the offer or cancel the contract. And in such case the contractor/tenderer is liable to forfeit the EMD amount including any other action as deemed fit. The contractor / tenderer is also liable to be permanently debarred for participating in any tender process of IIM, Lucknow concerning to any type of work in future.

4.35 PRECEDENCE FOR ACCEPTANCE:

If any contradiction / variance is observed in different components of the tender, the following precedence shall be observed:

- (i) Site instructions on the Site instruction Book shall precede over the Tender NOTICE and Instructions to Tenderers.
- (ii) Tender NOTICE and Instructions to Tenderers shall precede over Special condition.
- (iii) Special Conditions shall precede over General Conditions of Contract.

General Conditions of Contract are available on the IIM Lucknow web site and at the IIML office and shall be the part of the contract. Successful bidder will be required to submit the signed hard copy of the same After issuing of LOI to him before start of work.

In regard to the conditions, specifications, approved makes and mode of measurement not covered above, those contained in DSR 2023/ DAR 2023/ CPWD / Specification shall apply.

However, the Engineer-In-Charge shall be sole deciding authority with regard to the intention of the document and his decision in this respect shall be final and binding on the contractor.

4.36 The tenderer shall not increase their quoted rates in case the Accepting Officer negotiates for reduction in rates, such negotiations shall not amount to cancellation or withdrawal of the original offer and the rates originally quoted shall be binding on the tenderer.

4.37 The Contractor is not allowed to sublet the works/ contract on back-to-back basis.

4.38 It is expected the contractor possesses the Delhi Schedule of Rates 2023, DAR 2023, Latest CPWD Specifications, Latest CPWD works manual.

4.39 Rate quoted to include:

- 4.39.1 Working hours as per office timings, over Time, Late night and early morning working.
- 4.39.2 Movement of men, material and stacking all as directed by the Engineer-in- Charge.
- 4.39.3 Removing the items for reuse Such as Amplifier, Projector, Computer, audio and video items, camera, Wall Clock, wall mounted fans, Lights, Curtain rods etc. safely and keeping them in safe custody and reinstalling them at desired location after completion of the work.
- 4.39.4 Removing of surplus materials and stacking all as directed by the Engineer-in-Charge.

4.40 Before tendering the tenderers are advised to inspect the site of work, and its environments and be well acquainted with the actual working, restrictions in campus area, security procedures for entry of men and material, prevalent conditions, position of materials and labor, General and Special Conditions of contract, Instructions to Tenderers, drawing (if any) and Specifications, DSR and all other documents which form part of the agreement to be enlisted into.

4.41 In the event of a tender being submitted by a Partnership Firm the tender must be signed separately and legibly by each partner member of the Firm or in their absence a person holding the power of attorney on behalf of the Firm concerned. In the latter case, a copy of the power of attorney duly attested by a Gazette Officer must accompany the tender.

4.42 The successful tenderer shall submit additional Initial Performance security of 3% of Contract Value in case EMD was submitted. The EMD submitted in this case will be converted to performance security. **In case the exemption has under MSME is given for EMD then 5 % of the contract value has to be submitted as performance security in form of DD/FDR/Bank Guarantee in favor of Director, Indian Institute of Management, Lucknow. The performance security should be submitted within 07 days of award of work. A maximum Grace period of 2 Days will be given after levy of penalty equal to 1 % of performance security value per Day. If in case after 07 days of issue of LOI the Performance security is not deposited unless otherwise any extension had been granted by IIM Lucknow, then the Work awarded/ LOI issued will be straightaway considered as Terminated.**

Similarly, Agreement on Rs. 100 stamp paper will be required to be executed within 07 days of issue of LOI and if the contractor fails to get the agreement done within 07 days unless otherwise any extension had been granted by IIM Lucknow then the Work awarded/ LOI issued will be straightaway considered as Terminated.

The performance security (3%+2%) shall be released after 60 of satisfactory completion of contract which is 45 days or the extended period of contract whichever is last.

GENERAL CONDITIONS OF THE CONTRACT

General conditions of the Contract are available at the IIM Lucknow web site and at Project Division Office. These conditions shall be the part of this contract. The successful Bidder shall be required to submit the signed hard copy of these General Terms and Conditions after issue of LOI and before starting of the work.

Special Conditions of the Contract:

4.1 Name of the Work:

Proposed Repair and Renovation Work for Placement Office including Toilet Renovation at IIM, Lucknow.
Owner- Indian Institute of Management, Prabandh Nagar, IIM Road, Lucknow-226013.

4.2 ENGINEER/ENGINEER-IN-CHARGE

Executive Engineer, IIML or any person designated from time to time by owner and shall include those who are expressly authorized by him to act for and on his behalf for operation of this contract.

4.3 SCOPE OF WORK

Detailed description of scope of work has been stipulated in the NIT above and BOQ below.

4.4 CONTRACT RATES

The contract rates are for work to be done in IIM Campus, Lucknow and shall be firm throughout the currency of the contract including the extended period, if any, and shall not be subjected to any escalation due to any reason whatsoever it may be.

No escalation claim shall be entertained for any statutory increase by the Local Authorities, State/Central Government during the contract period or delay not in the control of the Contractor or delay because of Force Majeure.

The Rates are inclusive of Scaffolding etc. required to work at all Height for every item

The quantities mentioned in the financial bid are tentative. The rates quoted in tender and as accepted by the owner with or without modification shall hold good for any increase/decrease in quantities. Any of the items may be deleted as per directions of owner/Engineer-in-Charge.

4.5 LEVY/TAXES PAYABLE BY CONTRACTOR

Building and other Construction Workers Welfare Cess or any other tax, levy or Cess in respect of input for or output by this contract shall be payable by the contractor and IIML shall not entertain any claim whatsoever in this respect. The contractor shall deposit royalty and obtain necessary permit for supply of the red bajri, stone, kankar, etc. from local authorities (If Applicable as per the Applicable law of land). If pursuant to or under any law, notification or order any royalty, cess or the like becomes payable by the Institute and does not any time become payable by the contractor to the State Government, Local authorities in respect of any material used by the contractor in the works, then in such a case, it shall be lawful to IIM, Lucknow and it will have the right and be entitled to recover the amount paid in the circumstances as aforesaid from dues of the contractor.

Conditions for reimbursement/ recovery of levy/taxes if levied after receipt of Tenders

All tendered rates shall be inclusive of any tax, levy or cess applicable on last stipulated date of receipt of tender including extension if any. No adjustment i.e., increase or decrease shall be made for any variation in the rate of, Building and Other Construction Workers Welfare Cess or any tax, levy or cess applicable on inputs. **Rates are inclusive of GST as Applicable.**

However, effect of variation in rates of GST or Building and Other Construction Workers Welfare Cess or imposition or repeal of any other tax, levy or cess, applicable on output of the works contract shall be adjusted on either side, increase or decrease. Provided further that

- (i) That such increase including GST shall not be made in the extended period of contract for which the contractor alone is responsible for delay as determined by authority for extension of time.
- (ii) The contractor shall keep necessary books of accounts and other documents for the purpose of this condition as may be necessary and shall allow inspection of the same by a duly authorized representative of the Government and/or the Engineer-in-Charge and shall also furnish such other information/ document as the Engineer-in-Charge may require from time to time.
- (iv) The contractor shall, within a period of 30 days of the imposition of any further tax or levy or cess, or variation or repeal of tax or levy or cess/ reduction of such taxes/ cess etc. shall give a written NOTICE thereof to the Engineer-in-charge that the same is given pursuant to this condition, together with all necessary information relating thereto. Decision of the Director of the Institute in this regard to either compensate/ recover the changes in the rates of taxes/ levy of cess etc.

as the case may be shall be final and binding to the Contractor.

4.6 ESI & PF CODE:

The contractors are required to comply with the provisions of ESI & PF act as per applicability. The contractor shall be required to indemnify IIM for any liabilities arising on account of ESI & PF act.

- 4.7 The records / registers which Engineer- In- Charge considers necessary for monitoring the works & inspection by chief technical Examiner are to be maintained at site in co-ordination with Engineer-in-Charge and Agency.

4.8 COMMENCEMENT DATE

The date of commencement of work shall be 5 from the date of issue of the Letter of Intent. The contractor shall have to submit Performance Guarantee as stipulated above within 07 days from the date of issue of Letter of Intent. **The work shall be completed within the stipulated time frame. Any work not completed by the contractor/ executed in inferior quality/ unnecessary held. up/ disrupted because of any irregularity whatsoever, Engineer In charge/ Competent authority of IIM Lucknow upon issuing/serving a 07 days' SHORT NOTICE shall get work done by other agency at the risk and cost of contractor and further punitive action such as forfeiture of EMD, performance security and blacklisting/debarring of bidder from further bidding for 02 years on CPP Portal shall be taken against the bidder. The Contractor will have no claim for compensation in this regard.**

4.9 VARIATION IN QUANTITIES

Quantities may increase/decrease 100% as per the actual work requirements of Institute. No claim or compensation what so ever shall be entertained in this regard.

4.10 AWARD OF WORK: Work will be awarded to L1 party.

If the contractor fails to submit the performance Security/ Execute the Agreement within the stipulated period / fails to complete the work within the stipulated time i.e. within 45 from the handing over of the site or fails to execute the work as per the quality, specification and details or fails to mobilize the manpower and material as per the requirement of the schedule or intentional delays the work by pointing out irrelevant contractual points then the work can be taken over from the contractor on as Is Where Is basis and balance works can be got executed by L2/ L3/ L4 Bidder (if the bidder agrees to work on the L1 rates) as per the decision of the Director. In case any other Bidder does not agree to work on L1 rates then the balance work will be executed at the risk and cost of the working Contractor.

In case, the contractor fails to submit the performance security or agreement or start the work within the specified timeline stipulated in this tender document, the work awarded will be cancelled default and further punitive action such as forfeiture of EMD, performance security and blacklisting/debarring of bidder from further bidding for 02 years on CPP Portal shall be taken against the bidder.

4.11 PERIOD OF CONTRACT

The period of contract shall be 45 including all holidays, Saturdays & Sundays from the date of handing over of site.

4.12 SITE SUPERVISION

a) Contractor will deploy Diploma (Civil) Engineer and Billing Engineer (as per the requirement of Billing)

b) PENALTY FOR NON-COMPLIANCE OF REQUIRED MANPOWER:

A. Diploma holder with minimum Two years' experience =minimum Rs. 20,000/- per month to the maximum value as decided by the Competent Authority.

4.13 OFFICE ACCOMODATION FOR CONTRACTOR'S STAFF AND WORKERS:

The Contractors shall at his cost provide, fit up and maintain in an approved portion office accommodation for his representative and Contractors staff and workers. However, suitable area identified as per the decision of the competent Authority will be allocated for the period of contract for the labor colony, Store and Office etc.

4.14 LIQUIDATED DAMAGES

Shall be 1% of the work amount (Calculated as per Tendered rates) per week subject to the maximum of 10% of work value.

4.15 RUNNING ACCOUNT BILL

The contractor shall prepare and submit the running account bills in 2 copies showing item wise quantities executed. Since, it is the responsibility of the contractor to submit the running/ Final bill, contractor must submit the Running/ Final bill with full measurement, abstract etc. as per IIML format in time. IIML Engineer will check the bill. IIML will not be responsible for delay in submission of correct bill by the contractor. The bills shall be submitted within one week from the date of completion of work failing which contractor has to give the reasons for delay or non-submission. Measurement of items completed in all respect only will be made. In case later in any running bill or final any discrepancy is found then the corrected actual value can be recovered/ added as the case may be. Bidders have to continue the works uninterrupted as per the schedule during the processing of such bills

and payments. Bidders are aware that the Bill processing to payment takes some time so any intentional/ unintentional delay in the work because of delay in the payment will not be accepted and any claim for compensation because of delay in payment will not be entertained.

For processing the final Bill, the contractor has to obtain:

- The User verification certificate for satisfactory completion of the work.
- Submit the necessary manufacturer Test certificates, Guarantee/ warrantee, as built drawings etc.
- Internal inspections/ external inspections/ Third party test/ Other Quality Control reports (if Applicable) especially for the water proofing works (if any) etc.

4.16 SECURITY DEPOSIT

a) Performance Security:

The tender should be accompanying Earnest Money as stipulated in Instruction to tenderer. No interest will be payable on Earnest Money.

The E.M.D. of the successful bidder shall be converted to Performance Security Deposit

The successful tenderer shall also submit additional Initial Performance security of 3% of Contract Value (incase EMD had been deposited) / 5 % (in case exemption for EMD is taken) in form of DD/ FDR/ Bank Guarantee in favor of Director, Indian Institute of Management, Lucknow within 07 days of award of work. The performance security (3%+2%) shall be released after 60 of satisfactory completion of contract which is 45 or the extended period of contract whichever is last.

b) Retention money/ Security Deposit:

Security deposit / Retention money 5% of the certified work value shall be deducted from each Running Account Bill of contractor. The Security deposit/ retention money shall be released after the satisfactory completion of defects liability period of the work. The Defect liability period will be 12 except for water proofing works and Anti termite treatment works if any. The Retention money/ Security Deposit deducted above shall be refunded to the contractor after the completion of the stipulated Defect liability period except the retention money equivalent to 5 % of cost of the water proofing/ Anti Termite Treatment works if any, which will be released after 10 years of satisfactory completion of the water proofing works. No interest shall be paid on this retention money/ security deposit.

If successful tenderer fails to commence the work within 5 from the date of issue of Letter of Intent, the Institute may reject the award of work and get the work done by engaging other agency on risk and cost of the contractor.

4.17 TESTING OF MATERIALS

- a) Samples of various materials required for testing shall be provided free of charge by the Contractor. Testing charges if any shall be borne by the contractor. All other expenditure required to be incurred for taking the samples; conveyance, packing etc. shall be borne by the contractor himself.
- b) Regular mandatory test and any additional tests if required, shall be carried out in accordance with the procedure laid down in IS / as directed by Engineer-in-Charge by the contractor at his own cost.
- c) The testing charges, including the cost of materials to be tested and all other incidental charges such as carriage to the testing laboratory etc., shall be borne entirely by the Contractor and the quoted rates shall be deemed to be inclusive of the same.
- d) The Contractor may specifically note that the testing shall be done in Govt. / Govt. (NABL) approved laboratory only.
- e) The Institute may also engage Third Party Quality Assurance (TPQA) Agency. In such case the contractor is required to extend his full cooperation in the testing and inspection as desired by the TPQA.
- f) Any required rectification/ modification/ replacement/ re-execution required in case of defect/ poor quality pointed out by the TPQA/ Engineer in charge has to be done by the contractor at his own cost

without any claim for compensation.

4.18 INSPECTION AND TESTING

The owner (IIM Lucknow) or his authorized representatives shall have full power to inspect the work or examine the material. Acceptance of any material shall in no way relieve the contractor of his responsibility for meeting the requirements of the specifications. The contractor shall afford and procure for the owner every facility and assistance to carry out such inspection/tests. The cost of any special tests and/or analysis not called for in this specification shall be borne by the contractor.

The Contractor will use Raw materials as approved by Engineer-In-Charge IIM, Lucknow. And shall keep manufacturer Test certificate of the material used (wherever applicable).

All works generally conform to relevant I.S. Code. Any work that does not conform to the Applicable I.S. code shall be redone at the cost of contractors.

The contractor is required to get the work which shall be hidden inspected, measured and photographed by the concerned Engineer/ officer before covering it up. The contractor has to keep the photographs of works being executed including the pics of steps involved in the execution of the works. In case certain quality check is required in these steps involved then the contractor should get it done.

4.19 LABOUR CAMP

The contractors at his own risk and cost shall establish the Labour Camps (as per labour welfare and safety norms) outside the site premises as per the area allocated by the Institute. Contractor will have to make his own arrangement for staying/ accommodation for his manpower if staying outside the complex. Nothing extra shall be payable on this account.

4.20 Security Procedure:

For Security reasons the Contractor has to provide the details of Labour who will work such as Labor Name, their photo Identity details along with the copy of each ID etc.to the engineer in charge. Copy of these documents will be submitted to Assistant Commandant Security at the main Gate. The Contractor has to follow the Institute's SOP as is maintained at the main gate for the entry and exit of any material, manpower, machinery etc.

4.21 SAMPLES

The Contractor has to get Approved the Sample of Tiles, False ceiling, fixtures, light, fan, Switches, Laminate, Foam plastic/WPC Boards, Paint, Carpenter and other Hardware fittings, wooden flooring and other finishing items before providing and fixing of these materials in the Rooms. The contractor may deliberate to provide such samples for Approval within 07 days of issue of LOI.

It shall be the responsibility of the contractor to submit samples of raw material to be used in the execution of the awarded work and any other items as decided by the owner. One such approved sample each shall be kept with the owner and at site for future reference.

Test Samples of raw material (if required) as per the Instruction of the Engineer In charge will be prepared by the contractors and same to be tested as per code of practice at the cost of contractor as directed by Engineer- In-Charge.

4.22 SUB-STANDARD MATERIALS

Any material rejected by the owner shall be removed from the site within 48 hours of issue of instructions to this effect by the owner. Failing this, the owner shall have to rights to get these removed at the cost of the contractor and the contractor shall have no claim whatsoever in this regard.

4.23 SPECIFICATION

Contractor shall perform work in accordance with the latest CPWD Specifications, as per the specification of material mentioned and as per the direction of the Engineer in charge.

Only the material of Approved make and manufacturer shall be used as is stipulated at the end of this Technical Bid.

4.24 DEFECT LIABILITY PERIOD

12 from the virtual date of completion of work and removal of hutments, materials, etc. from site except

for Water proofing and Anti Termite Treatment works (if Applicable) which is 10 years.

4.25 CORRESPONDENCE

All correspondence shall be addressed to:

Dean Infrastructure Indian
Institute of Management
Prabandh Nagar, IIM Road,
Lucknow – 226013 (U.P.)

4.26 JURISDICTION

The contract will be subject to the territorial jurisdiction of Courts in Lucknow alone.

4.27 The contractor shall indemnify and keep indemnified Indian Institute of Management, Lucknow against payments to be made under and for the observance of the laws aforesaid and the C.P.W.D. Contractor's Labour Regulations without prejudice to his right to claim indemnity from his sub- contractors.

4.28 RULES FOR SAFETY AND LABOUR WELFARE

The Contractor shall comply with the safety and Labour Welfare Rules, as given hereunder and as per the Rules and Regulations framed by Local Authorities/ Statutory Bodies/ State/ Central Govt. from time to time.

4.29 SAFETY PRECAUTIONS

Safe means of access shall be provided to all working platforms and other working places. Every ladder shall be securely fixed. Adequate precautions shall be taken to prevent danger from electrical equipment. No materials on any of the sites shall be so stocked or placed as to cause danger or inconvenience to any person of the public. The Contractor shall provide all necessary fencing and lights to protect public from accidents and shall be bound to bear expenses of defense of every suit, action or other proceedings at law that may be brought by any person for injury sustained owing to neglect of the above precautions and to pay any damage and costs which may with the consent of the Contractor be paid to compromise any claim by any such person. All workers should wear Safety helmet, Safety Shoes, Fluorescent jacket and Safety Belt (If required) during the execution of the work. NOTE: All scaffolds, ladders, First Aid Equipment's/ Machines and other safety devices mentioned or described herein shall be maintained in a safe condition and no scaffold, ladder or equipment shall be altered or removed while it is in use. Adequate washing facilities shall be provided at or near places of work. Necessary warning sign boards in Red/White paint, with proper lighting arrangements for nights are to be provided by the Contractor at his cost, as approved by the Engineer-in-Charge at prominent location. The arrangements for providing and maintaining all such safety and labour welfare measures, Registers etc., shall be done at the Contractor's own cost and expenses.

4.30 DISPUTE & ARBITRATION

All disputes or differences whatsoever arising between the parties out of or relating to the construction, meaning and operation or effect of this contract or subject thereof or the breach thereof that cannot be settled by good faith and negotiations between the parties within 30 days of the commencement of negotiations may be settled by referring the dispute to the Director, IIM Lucknow, who may appoint an Arbitrator who is unconnected with IIM to adjudicate the same. The proceedings will be governed by the provisions of the Arbitration & Conciliations Act, 1996. The place of arbitral proceedings will be Lucknow.

5.1 Advance: No mobilization advance will be paid to the contractor.

5.2 Escalation; No cost escalation shall be paid in any case because of increase of the cost of raw material or delay in the work because of any reason.

5.3 Altered/ Additional/ substituted work: If the altered/additional or substituted work or any

additional work required to be as per Institute's requirement shall be carried out by the contractor on the same conditions in all respects including price on which he agreed to do the main work except as hereafter provided for which there are no established rates in schedule of items and Delhi Schedule of rates., the same shall be payable as per the provision stated hereunder.

- a) If any extra item crops up during the work (Other than that given in the Work Order), the rate for such item shall be computed as per rates of CPWD/DSR-2023 with the same percentage above or below as is quoted by the Contractor in the Price Bid).
- b) Rates for items where rate is not available in DSR-2023 shall be derived from the similar item of nearest DSR. If not available in the nearest DSR then in the nearest District Schedule of Rates issued by the Uttar Pradesh PWD department. If the item is not found in DSR and District Schedule of rates, then the Percentage Rate from nearest available Schedule of rates of any Central/ Uttar Pradesh Government Department Shall be considered with whatever applicable Cost index plus or minus (If any as per relevant Circular from the department) on the schedule of rates considered.
- c) If direct working out is not possible as mentioned in a) & b) above, the contractor shall be paid on the basis of actual cost of material and labor plus cartage, T & P etc. cost plus 15% towards profit, supervision, overheads establishment etc. and applicable taxes as decided by the Competent Authority.
- d) In the case of substituted items (items that are taken up with partial substitution or in lieu of items of work in the contract), the rate for the agreement item (to be substituted) and substituted item shall also be determined in the manner as mentioned in the following para:
 - (i) If the market rate for the substituted item so determined is more than the market rate of the agreement item (to be substituted), the rate payable to the Contractor for the substituted item shall be the rate for the agreement item (to be substituted) so increased to the extent of the difference between the market rates of substituted item and the agreement item (to be substituted).
 - (ii) If the market rate for the substituted item so determined is less than the market rate of the agreement item (to be substituted), the rate payable to the contractor for the substituted item shall be the rate for the agreement item (to be substituted) so decreased to the extent of the difference between the market rates of substituted item and the agreement item (to be substituted).

5.7 Where the work is found substandard the contractor shall be liable to rectify them to the satisfaction of Engineer-in-Charge by either rectifying or replacing.

5.8 a **For Site:** The Institute will provide free water and electricity for the work from existing point only for site works. The material such as for the Necessary loose pipes and electric wire and plug, sockets etc., to be arranged by contractor themselves on their cost.

5.8 b **For Labor Hutment:** Institute will facilitate the contractor with the required documents in obtaining the Electricity connection from the electricity department for his labor colony. In case the institute provides electric connection on actual chargeable basis for the hutment then the required material such as cable, changeover, Energy Meter etc. required to provide the connection shall be arranged and provided by the contractor. Water Supply for the labor colony has to be arranged by the Contractor himself.

5.10 In case Institute is not satisfied with the performance of contractor, the Institute is empowered to get the work completed by other agency and debit the expenditure, risk and cost on contractor's account. No objection or claim, what so ever on this account will be entertained.

5.12 Maintaining of records has to be made by contractor as per direction of Engineer-in-Charge.

5.13 The generated Debris or wastage at work site have to be cleared by the contractor on same day from the work site and thrown out the site campus or designated place as per guidance of Engineer-in-Charge.

BILL OF QUANTITIES**BOQ / ESTIMATE****PROPOSED REPAIR AND RENOVATION WORK FOR PLACEMENT OFFICE INCLUDING TOILET RENOVATION AT IIM, LUCKNOW****SUMMARY OF COST**

1		Proposed Repair and Renovation Work for Placement Office at IIM Lucknow, along with work table, sofa and cabinet furniture (Part – I)				937578.29
2		Proposed Placement Office Toilet Renovation (Part – II)				144936.07
Total inclusive of GST (Rs.)						1082514.36

PART – I : PROPOSED REPAIR AND RENOVATION WORK FOR PLACEMENT OFFICE AT IIM LUCKNOW (ALONG WITH WORK TABLE, SOFA AND CABINET FURNITURE)

S. No.	DSR 2023 Item No.	Description of Item	Unit	Quantity	Rate (Rs.)	Amount (Rs.)
1	13.91	Removing dry or oil bound distemper, water proofing cement paint and the like by scrapping, sand papering and preparing the surface smooth including necessary repairs to scratches etc. complete.	Sqm	108.77	25.15	2735.57
2	15.6	Disposal of building rubbish / malba / similar unserviceable, dismantled or waste materials by mechanical means, including loading, transporting, unloading to approved municipal dumping ground or as approved by Engineer-in-charge, beyond 50 m initial lead, for all leads including all lifts involved.	Cum	1.00	263.95	263.95
3	MR	Providing and Making of Storage cabinet with drawers/ wall mount cabinets with shelves and Table with drawers and bookshelf with glass door / conference table as per the design/ drawing and instructions of Engineer Incharge fabricated with Termite Proof and BWP Plywood of centuryplywood/ Greenply/ Archid ply/ Kitply, covering up with Mica/ laminate of 1mm thickness of Century/ greenlam /Archid/ Surfica/Airolam, with Nails, fevicols etc complete including the hardware and fittings such as Handle, Telescopic hinges, Telescopic Channels, locks, magnet etc. complete. Main Framing with 19/ 18mm and rest portion with thickness as per the design/ instructions of Architect/ Engineer in charge for design details drawing is attached. This includes making cutouts in the Table, buffer, fixing of the Electrical switch/ Socket, Desk Wire Cord Cable Grommets Hole Cover for Office PC Desk Cable Cord Organizer etc. Measurement of the Table / Cabinet will be taken in elevation i.e Length x Height only.	Sqm	37.07	15000.00	556050.00
4	13.82.2	Wall painting with acrylic emulsion paint, having VOC (Volatile Organic Compound) content less than 50 grams/ litre, of approved brand and manufacture, including applying additional coats wherever required, to achieve even shade and colour. Two coats	Sqm	45.28	137.45	6223.05
5	13.85.3	Applying priming coats with primer of approved brand and manufacture, having low VOC (Volatile Organic Compound) content. With water thinnable cement primer on wall surface having VOC content less than 50 grams/litre	Sqm	154.05	73.95	11391.63
6	13.8	Providing and applying white cement-based putty of average thickness 1mm of approved brand and manufacture over the plastered wall surface to prepare the surface even and smooth complete.	Sqm	108.77	156.05	16973.56
7	M.R.	Providing & Fixing of Premium Self-Adhesive decorative type Waterproof Wallpaper a versatile and high-quality roll covering provides excellent protection against moisture and stains as per Approved Design, Thickness, texture/ finish etc. including pasting it with the suitable additional Adhesive properly complete as per design/ drawings and instructions of Engineer.	Sqm	154.05	700.00	107831.50
8	M.R.	Providing & Fixing of Roman Blinds (Blackout) made up of Approved cloth, Design, colour texture/ finish etc. as per Architects choice. Having weight of 250 GSM complete with all accessories/ fittings, fixing etc. as per the instructions of Engineer Incharge.	Sqm	18.06	2700.00	48762.00
9	15.23.1	Dismantling tile work in floors and roofs laid in cement mortar including stacking material within 50 metres lead. For thickness of tiles 10 mm to 25 mm. Approx quantity	Sqm	6.00	73.40	440.40
10	12.59.1	Providing & fixing false ceiling at all height including providing & fixing of framework made of special section, power pressed from M.S. sheets and galvanised with zinc coating of 120 gms/ sqm (both side inclusive) as per IS : 277 and consisting of angle cleat of size 25 mm wide x 1.6 mm	Sqm	71.27	1572.3	112060.42

		thick with flanges of 27 mm and 37mm, at 1200 mm c/c, one flange fixed to the ceiling with dash fastener 12.5 mm dia x 50 mm long with 6 mm dia bolts, other flange of cleat fixed to the angle hangers of 25 x10 x0.50 mm of required length with nuts & bolts of required size and other end of angle hanger fixed with intermediate G.I channels 45 x15 x 0.90 mm running at the spacing of 1200 mm c/c, to which the ceiling section 0.5 mm thick bottom wedge of 80 mm with tapered flanges of 26 mm each having lips of 10.5mm, at 450 mm c/c, shall be fixed in a direction perpendicular to G.I intermediate channel with connecting clip made out of 2.64 mm dia x 230 mm long G.I wire at every junction, including fixing perimeter channels 0.50 mm thick 27 mm high having flanges of 20 mm and 30 mm long, the perimeter of ceiling fixed to wall/ partitions with the help of Rawl plugs at 450 mm centre, with 25 mm long dry wall screws @ 230 mm interval, including fixing of Calcium Silicate Board to ceiling section and perimeter channels with the help of dry wall screws of size 3.5 x25 mm at 230 mm c/c,including jointing & finishing to a flush finish of tapered and squareedges of the board with recommended jointing compounds, jointing tapes,finishing with jointing compounds in three layers covering up to 150 mm on both sides of joints and two coats of primer suitable for boards, all as per manufacture's specification and also including the cost of making opening for light fittings, grills, diffusers, cut outs made with frame of perimeter channels suitably fixed, all complete as per drawings, specificaton and direction of the Engineer in charge but excluding the cost of painting with:8 mm thick Calcium Silicate Board made with Calcareous & Siliceous materials reinforced with cellulose fiber manufactured through autoclaving process.(as per Sutable Desgin decide by Engineer in charge)				
11	21.8.1	Filling the gap in between aluminium frame & adjacent RCC/ Brick/ Stone work by providing weather silicon sealant over backer rod of approved quality as per architectural drawings and direction of Engineer-in-charge complete.Upto 5 mm depth and 5 mm width	Rm	29.50	96.75	2854.13
12	MR	Post-construction Anti-termite treatment Buildings as per IS 6313: Part-3:2001 by drilling in Ground Floor	Sqm	45.28	63.36	2868.49
13	MR	Anti-termite Treatment (By spray) in Other than Ground Floor	Sqm	45.28	12.70	574.85
14	11.41.2	Providing and laying Vitrified tiles in floor with different sizes (thickness to be specified by the manufacturer), with water absorption less than 0.08% and conforming to IS:15622, of approved brand & manufacturer, in all colours and shade, laid with cement based high polymer modified quick set tile adhesive (water based) conforming to IS: 15477, in average 6 mm thickness, including grouting of joints (Payment for grouting of joints to be made separately). Size of Tile 600x600 mm.	Sqm	6.00	1553.45	9320.70
15	MR	Replacement of damged base plate of revolving chair and making it good. Complete job in all respect.	Each	10.00	192.00	1920.00
16	MR	Replacement of damaged hydraulics in revolving chairs. Complete job	Each	9.00	474.95	4274.55
17	MR	Repair of revolving chair seat or back by replacement of damaged cushion and fabric. Complete job in all respect.	Each	19.00	678.50	12891.50
18	MR	Replacement of old damaged handles and fix new handles at existing places complete job	Each	14.00	339.25	4749.50
19	MR	P/F of wheels for revolving chairs	Each	50.00	67.85	3392.50
20	MR	Providind and fixing of single seater office Sofa 40 density seat cushion of size 21"x22"and back foam of 32 density including fabric (as approved by IIML Engineer-in-Charge)	Nos	4.00	8000.00	32000.00
Total of Part – I inclusive of GST (Rs.)						937578.29
PART – II : PROPOSED PLACEMENT OFFICE TOILET RENOVATION						
S. No.	DSR 2023 Item No.	Description of Item	Unit	Quantity	Rate (Rs.)	Amount (Rs.)
1	15.23.1	Dismantling tile work in floors and roofs laid in cement mortar including stacking material within 50 metres lead. For thickness of tiles 10 mm to 25 mm.	Sqm.	17.86	73.40	1310.56
2	15.13.1	Taking out doors, windows and clerestory window shutters (steel or wood) including stacking within 50 meters lead of area 3 sq. meters and below.	Each	1.00	143.50	143.50
3	15.44.1	Dismantling G.I. pipes (external work), manually/ by mechanical means including stacking of pipes within 50 metres lead as per direction of Engineer-in-charge :15 mm to 40 mm nominal bore.	Mtr	51.15	149.80	7662.27
4	14.82	Dismantling W.C. Pan of all sizes including disposal of dismantled materials i/c malba all complete as per directions of Engineer-in Charge.	Each	3.00	134.10	402.30

5	14.85	Taking out existing wooden door shutter, repair by cutting, painting etc. and refixing of repaired door shutters to existing door frames, including replacement of hinges with screws, etc. as required, all complete as per the direction of the Engineer-in-charge.	Each	2.00	429.10	858.20
6	11.41.2	Providing and laying Vitrified tiles in floor with different sizes (thickness to be specified by the manufacturer), with water absorption less than 0.08% and conforming to IS:15622, of approved brand & manufacturer, in all colours and shade, laid with cement based high polymer modified quick set tile adhesive (water based) conforming to IS : 15477, in average 6 mm thickness, including grouting of joints (Payment for grouting of joints to be made separately). Size of Tile 600x600 mm	Sqm.	4.50	1553.45	6990.53
7	11.46.2	Providing and laying Vitrified tiles in different sizes (thickness to be specified by the manufacturer), with water absorption less than 0.08% and conforming to IS: 15622, of approved brand & manufacturer, in all colours and shade, in skirting, riser of steps, laid with cement based high polymer modified quick set tile adhesive (water based) conforming to IS: 15477, in average 6 mm thickness, including grouting of joints (Payment for grouting of joints to be made separately).Size of Tile 600x600 mm.	Sqm.	20.02	1623.05	32501.58
8	14.1.2	Repairs to plaster of thickness 12 mm to 20 mm in patches of area 2.5 sq.meters and under, including cutting the patch in proper shape, raking out joints and preparing and plastering the surface of the walls complete, including disposal of rubbish to the dumping ground, all complete as per direction of Engineer-in-Charge. With cement mortar 1:4 (1cement: 4 coarse sand)	Sqm.	20.02	560.50	11224.01
9	MR	Providing and fixing white vitreous china flat back or wall corner type lipped front urinal basin standard flush pipe and C.P. brass spreaders with brass unions and G.I clamps complete, including painting of fittings and brackets, cutting and making good the walls and floors wherever required all complete as per direction of Engineer-in-Charge: One urinal basin. PRS-CHR-077	Set	1.00	6650.00	6650.00
10	18.8.3	Providing and fixing Chlorinated Polyvinyl Chloride (CPVC) pipes, having thermal stability for hot & cold-water supply, including all CPVC plain & brass threaded fittings, i/c fixing the pipe with clamps at 1.00 m spacing. This includes jointing of pipes & fittings with one step CPVC solvent cement and the cost of cutting chases and making good the same including testing of joints complete as per direction of Engineer in Charge. Concealed work, including cutting chases and making good the walls etc. 25 mm nominal outer dia pipe	Meter	2.30	627.25	1442.67
11	18.8.2	-do- 20 mm nominal outer dia Pipes metre	Meter	0.50	537.60	268.80
12	18.8.3	-do- 25 mm nominal outer dia Pipes.	Meter	5.00	627.25	3136.25
13	18.9.5	Providing and fixing Chlorinated Polyvinyl Chloride (CPVC) pipes, having thermal stability for hot & cold-water supply including all CPVC plain & brass threaded fittings This includes jointing of pipes & fittings with one step CPVC solvent cement, trenching, refilling & testing of joints complete as per direction of Engineer in Charge: 40 mm nominal outer dia Pipes.	Meter	15.00	563.05	8445.75
14	17.22A	Providing and fixing CP Brass 32mm size Bottle Trap of approved quality & make and as per the direction of Engineer-in-charge.	Each	10.00	1034.80	10348.00
15	15.6	Disposal of building rubbish / malba / similar unserviceable, dismantled or waste materials by mechanical means, including loading, transporting, unloading to approved municipal dumping ground or as approved by Engineer-in-charge, beyond 50 m initial lead, for all leads including all lifts involved.	Sqm.	2.01	263.95	530.54
16	11.48.2	Grouting the joints of flooring tiles having joints of 3 mm width, using epoxy grout mix of 0.70 kg of organic coated filler of desired shade (0.10 kg of hardener and 0.20 kg of resin per kg), including filling /grouting and finishing complete as per direction of Engineer-in-charge. Size of Tile 600x600 mm sqm	Sqm.	5.00	309.05	1545.25
17	12.53	Providing and Fixing 15 mm thick densified tegular edged ecofriendly light weight calcium silicate false ceiling tiles of approved texture of size 595 x 595 mm in true horizontal level, suspended on inter locking metal grid of hot dipped galvanised steel sections (galvanising @ 120 grams per sqm including both side) consisting of main "T" runner suitably spaced at joints to get required length and of size 24x38 mm made from 0.33 mm thick (minimum) sheet, spaced 1200 mm centre to centre, and cross "T" of size 24x28 mm made out of 0.33 mm (Minimum) sheet, 1200 mm long spaced between main "T" at 600 mm centre to centre to form a grid of 1200x600 mm and secondary cross "T" of length 600 mm and size 24 x28 mm made of 0.33 mm thick (Minimum) sheet to be inter locked at middle of the 1200x 600 mm panel to from grid of size 600x600 mm, resting on periphery walls /partitions on a Perimeter wall angle pre-coated steel of size(24x24X3000 mm made of 0.40 mm thick (minimum)	Sqm.	4.50	2158.15	9711.68

		sheet with the help of rawl plugs at 450 mm centre to centre with 25 mm long dry wall screws @ 230 mm interval and laying 15 mm thick densified edges calcium silicate ceiling tiles of approved texture in the grid, including, cutting/ making opening for services like diffusers, grills, light fittings, fixtures, smoke detectors etc., wherever required. Main "T" runners to be suspended from ceiling using G.I. slotted cleats of size 25x35x1.6 mm fixed to ceiling with 12.5 mm dia and 50 mm long dash fasteners, 4 mm G.I. adjustable rods with galvanised steel level clips of size 85 x 30 x 0.8 mm, spaced at 1200 mm centre to centre along main "T", bottom exposed with 24 mm of all Tsections shall be pre-painted with polyester baked paint, for all heights, as per specifications, drawings and as directed by Engineer-in-Charge. Note:- Only calcium silicate false ceiling area will be measured from wall to wall. No deduction shall be made for exposed frames/opening (cut outs) having area less than 0.30 sqm.The calcium silicate ceiling tile shall have NRC value of 0.50 (Minimum), light reflection > 85%, non- combustible as per B.S. 476 part IV, 100% humidity resistance and also having thermal conductivity <0.043 w/mK.				
18	13.61.1	Painting with synthetic enamel paint of approved brand and manufacture to give an even shade: Two coats	Mtr	0.76	155.90	118.48
19	13.48.1	Finishing with Deluxe Multi surface paint system for interiors and exteriors using Primer as per manufacturers specifications: Two or more coats applied on walls @ 1.25 ltr/10 sqm over and including one coat of Special primer applied @ 0.75 ltr /10 sqm.	Sqm.	17.68	193.70	3424.62
20	8.2.2.1	Providing and fixing 18 mm thick gang saw cut, mirror polished,premoulded and prepolished, machine cut for kitchen platforms, vanity counters, window sills, facias and similar locations of required size, approved shade, colour and texture laid over 20 mm thick base cement mortar 1:4 (1 cement : 4 coarse sand), joints treated with white cement, mixed with matching pigment, epoxy touch ups, including rubbing, curing, moulding and polishing to edges to give high gloss finish etc. complete at all levels.Granite of any colour and shade: Area of slab upto 0.50 sqm.	Sqm.	0.17	5413.50	920.30
21	19.4.3.1	19.4 Providing and fixing square-mouth S.W. gully trap class SP-1 complete with C.I. grating brick masonry chamber with water tight C.I. cover with frame of 300 x300 mm size (inside) the weight of cover to be not less than 50 kg and frame to be not less than 2.70 kg as per standard design: 180x150 mm size P type with common burnt clay F.P.S. (non modular) bricks of class designation 7.5 each	Each	1.00	2802.15	2802.15
22	18.17.3	Providing and fixing gun metal gate valve with C.I. wheel of approved quality (screwed end) :40 mm nominal bore. / MTA	Each	1.00	826.10	826.10
23	9.82	Providing and fixing bright finished brass hanging type floor door stopper with necessary screws, etc. complete.	Each	1.00	121.65	121.65
24	9.165.1	Providing and fixing bright /matt finished Stainless Steel handles of approved quality & make with necessary screws etc all complete.125 mm	Each	2.00	119.20	238.40
25	9.83	Providing and fixing aluminium die cast body tubular type universal hydraulic door closer (having brand logo with ISI, IS : 3564, embossed on the body, door weight upto 35 kg and door width upto 700 mm), with necessary accessories and screws etc. complete.	Each	1.00	1124.85	1124.85
26	MR	P/f of P or S trap UPVC of 4", 3" size.	Each	3.00	495.00	1485.00
27	MR	Providing, Laying and fixing Unplasticized poly vinyl chloride (PVC-U) pipes for soil and wastage discharge system sewerage and Drainage pipe.75 mm dia pipe	Meter	11.77	159.30	1874.96
28	MR	ditto item above for 110 mm dia.	Meter	31.64	236.00	7467.04
29	MR	P/F of two way bib cock of approved quality. CON-CHR-041KN	Each	1.00	2074.99	2074.99
30	MR	P/F of longbody pressmatic auto close basin tap counter mount type of approved brand and quality. PRS-CHR-031L65	Each	1.00	4299.99	4299.99
31	MR	P/F of 5 mm thick looking mirror of size 1.5X1 Mtr with wooden frame and polishing work complete job .	Each	1.00	2500.00	2500.00
32	MR	P/L of 90 mm dia UPVC pipe for making drainage of washbasin.	Meter	1.60	275.00	440.00
33	MR	Concealed Stop cock	Each	1.00	1398.30	1398.30
34	MR	Angle Valve	Each	2.00	724.99	1449.98
35	MR	SS Trap Jali 4"	Each	3.00	150.00	450.00
36	MR	Soap Dispenser	Each	1.00	1825.00	1825.00
37	MR	Paper towel Dispenser	Each	1.00	3168.00	3168.00
38	MR	Health Faucet	Each	1.00	1475.00	1475.00

39	MR	Supply and fixing of SS towel rod of size 600 mm long	Each	1.00	1624.99	1624.99
40	14.5.1	Renewing glass panes, with putty and nails wherever necessary including racking out the old putty: Float glass panes of nominal thickness 4 mm (weight not less than 10kg/sqm)	Sqm	0.60	1090.65	654.39
Total of Part – II inclusive of GST (Rs.)						144936.07
GRAND TOTAL INCLUSIVE OF GST (Rs.)						1082514.36
Percentage Above or below to be quoted by the bidder in Macros enable format available on the CPP only

LIST OF APPROVED MAKES

List of Approved Makes

Sl. No.	Item Description		Approved Brands / Manufacturers
A.	FLOORING		
	1	Vitrified Tiles	Nitco/ Kajaria or Equivalent as Approved .
	2	Kota stone	as Approved.
	3	Tile Adhesive	JK super grip/ Engineer plus/ Ultratech/ pidilite (Roff)/ Kerokoll/liticate/ saint gobain (weler) Equivalent as Approved
	4	Brick Masonry	Class 1 Bricks only
B.	PLY / BOARDS / LAMINATES / VENEERS		
	1	Commercial Ply wood	Conforming to IS 303 approved Century/ Green Ply / Archidply, Kitply - 12mm/ 6 mm Equivalent as Approved
	2	Boiling Water Proof Block Board.	Conforming to I.S. 1659, Green ply/ Archidply/ Kitply/ Century/ Samrat Plywood Limited/ SRG Ply & Boards/ National Plywood Industries Limited/ Archid Ply/ As approved.
	3	Veneers (3 to 4mm and paper veneers)	Greenlam/ Merino/ Equivalent As Approved.
	4	Laminate 0.8, 1mm & 1.5mm	Greenlam/ Merino/ ARchid Ply/Surfica/ Century or Equivalent as Approved
	5	Foam Plastic board/ WPC Board	Astion Tesa/ poly green/ plasto green/ Equivalent As Approved.
	6	Wood Preservative	Termiseal
	7	Mirror/ Glass	Saint Gobain/ Modi Guard/ As Approved
C.	CIVIL		
	1	Cement (PPC)	ACC / Ultra Tech / Birla Samrat/ JK /Equivalent as Approved
	2	Adhesives	Pidilite /Equivalent as Approved
	3	Light Weight Concrete Blocks	Siporex/Equivalent as Approved
	4	Waterproofing Compounds	Pidilite (Dr. Fixit)/ Fosroc / Sika/Equivalent as Approved
	5	Pest Control Chemical	PCI/ Godrej/ as Approved
	6	White Cement	Birla White/ JK White/ As Approved
	7	Wall Putty	JK/Birla/Tata/ Asian/ As Approved

	8	Galvanized/ Stainless Steel Anchor fastners	Shakti/ Arrow/ Hilti/ Fissure/ As Approved.
	9	Dash Fastner, Expansion Bolts	Hilti/ Fissures/ Dev Ashish/ As Approved
	10	Steel	Tata/ Jindal 550 D, 500D
D	SANITARYWARE, CP FITTINGS & PIPES		
	1	Sanitaryware (W.C./ Urinal/ Wash Basin/ Cistern)	Jaquar/ Hindware/ Cera/ Parryware/ Kohler/ Equivalent as Approved
	2	C.P. Fittings, Taps, Health Faucet, Angle/ Stop Valves	Jaquar/ Kohler/ Grohe/ Hindware/ Equivalent as Approved
	3	CPVC Pipes & Fittings	Astral/ Ashirvad/ Supreme/ Prince/ Finolex/ Equivalent as Approved
	4	UPVC Soil, Waste & Drainage Pipes	Supreme/ Astral/ Prince/ Finolex/ Equivalent as Approved
	5	Wallpaper, Roman Blinds & Upholstery Fabric	As Approved by the Engineer-in- Charge
E	PAINTS		
	1	Primer	Asian/ Berger/ Nerolac/ Dulux/ As Approved
	2	Lustre/Enamel Paint	Asian/ Berger/ Nerolac/ Dulux/ As Approved
	3	Luxury Emulsion with Teflon surface protector, Water beading technology, Antimicrobial, Flame spread resistance paint wi th 5 years warranty.	Asian Paint/ Equivalent As Approved
F	FALSE CEILING		
	1	Gypsum Board False Ceiling (Moisture and Fire Resistant)	Saint Gobain (Gyproc) / Armstrong/ As Approved.
	2	Calcium Silicate Grid Ceiling	Saint Gobain (Gyproc)/ Armstrong/ As Approved -
	3	Grid Channel/ Tee/ Angle/Flat etc.	Saint Gobain (Gypframe)/ Armstrong/ As Approved -
G	MISCELLANEOUS		
	1	Door Closer	Dorma/ DORSET/OZONE/ Godrej/As Approved
	2	Insulation material	Nitrile rubber
	3	Aluminum Sections	Jindal/Hindalco
	4	Sun Protective Films	3M
	5	Door Hardware	Dorma / Geze/ Godrej/ As Approved
	6	Cabinet, Wardrobe, Drawer Hardwares and Fittings	Haffle/ Dormakaba/ Dorset/ Hettich/ ozone/ Ebco/ Godrej/ Equivalent as Approved

	7	Door Lock	Dormakaba/ Godrej/ equivalent as Approved.
	8	Mild sheet	Tata/Jindal
H	ELECTRICAL		
	1	Isolators, Change Over switches	Havells BCH Siemens Schneider ABB Equivalent as Approved.
	2	BLDC Fan and Exhaust Fan and Wall mounted fans	Atom berg Crompton Havell's Bajaj Usha Equivalent as Approved.
	3	Cables	
	4	Instrumentation	CII NICCO Asian (RPG) Polycab Lapp Kabel Universal RR Kabel Equivalent as Approved.
	5	House Wiring	Polycab Finolex, Havell's KEI Equivalent as Approved.
	7	Lighting systems	Philips/ Wipro/Anchor/ Havell's/ Bajaj/ Crab Tree/ Equivalent as Approved.
	8	Modular switches for commercial / residential installations	ABB/Legrand/Anchor Roma/Havell's/ Equivalent as Approved.
	9	Terminals	Elmex/ Wago/ Phoenix/ Equivalent as Approved.
	10	Conduits and accessories	Lapp Kabel/ BEC/ AKG/ Steel craft/ Equivalent as Approved.
	11	Cable lugs	Dowells/ Jainson/ Equivalent as Approved.
	12	Cable glands	Baliga/ comet/ SMI/ Equivalent as Approved.
	13	Luminaries	Philips/ Jaquar/ Havell's/ Bajaj/ Anchor/ Equivalent as Approved.

	14	DATA Cables	Tyco / AMP/ Equivalent as Approved.
	15	Call Bell	Anchor/ Havell's/ Equivalent as Approved.
