**Signature of Tenderer**

### **3.0 INSTRUCTIONS TO TENDERERS**

**3.1** Indian Institute of Management shall not be bound to accept the lowest tender and reserves the right to reject any or all the Tenders without assigning any reason.

**3.2** Tender Documents shall be duly filled & uploaded within the last date of submission as mentioned in the tender notice. Late tenders and conditional tenders shall not be accepted. The last date for receipt of Tender will not be extended under any circumstances, unless otherwise the date is declared a holiday for IIM Lucknow, in such case the next working day will be treated as the last date of receipt of Tender document.

**3.3** Financial bid must be filled and submitted in the prescribed formats given on the CPP portal separately. A sample format of the Financial bid has been attached with the Technical bid just for the understanding of the bidders. This is required to be kept blank and just signed and stamped along with the other documents of this Tender. **If filled in financial bid is found along with the Technical bid of this Tender, then the Tender shall be straight away rejected.**

**3.4** Tender must be valid for a minimum period of 120 days from the date of opening. If the Tenderers modifies his tender or revokes the same during this period, the tender may, at the discretion of IIM Authorities, be treated as non – bonafied and cancelled and earnest money will be forfeited.

**3.5** This being a percentage rate contract, the rate quoted shall remain firm and errors if any in the extension / total shall be subject to corrections. The Estimated quantities / Amount of Work involved stipulated above/ in the price bid are approximate and hence any reduction / increase thereof during the currency of the contract shall not vitiate the contract. The approximate estimate value of this work is indicated in NIT. This estimates however no guarantee is and is merely given as rough guide, and if the work costs more or less, Tenderers will have no claim on that account

**3.6** This is a Percentage Rate Tender. **Percentage Rates to be quoted above or below the estimated cost shall be applicable to each and every item rate given in the price bid format.** The rate quoted by the tenderer shall be the total sum of material & labour at the IIM Lucknow campus, Lucknow including of GST and GST as applicable shall be paid by the contractor. The bidder is advised to consider and understand that the percentage rates requested in the BOQ enclosed at price bid of this Tender are inclusive of GST as Applicable. The rates given against each item in the price Bid are the base rates, including GST and all other Taxes/ duties etc. Rates in given in the BOQ/ financial bid are inclusive of GST. So bidders should carefully quote the percentage rates above or below in the price bid, considering that percentage quoted will be applicable on each and every item Rate of the price bid and any claim to revise any specific item Rate on the basis of any variation in the quantity of such item will not be considered.

**3.7** If any discrepancy/misprint is noticed/specification or t h e BOQ, it should be clarified from the Institute before quoting the rate.

If any discrepancy in between the price bid format of this Tender document and macros enabled excel file of the actual price bid on CPP portal is observed by the Bidder or if any item unit/ rates are found

illogical/ impractical then in that case the same has to be brought to the notice of the Institute before the last date of submission. So that the required correction/ corrigendum can be made. If such issue is found at the later stage after award of the work either by the Contractor or by the Institute, then the logical decision based on the standard practice and as per the Institute's internal documentation shall be taken by the Institute and the same decision will be binding to the contractor and no claim whatsoever will be entertained in this regards.

**3.8** The following procedures shall be adopted in case of difference in quoted rates in figures and words and extensions:

- a. Where there is difference between rates in figures and the rates, quoted in words shall be considered as correct.
- b. Where the amount of an item is not worked out or it does not correspond to the rate either in figure or in words, the rates quoted in words shall be considered as correct and necessary extension made
- c. Where the rate quoted by the tenderer in figures and in words tally, but the amount is not worked out correctly, the rates quoted by the tenderer shall be considered as correct and amount shall be corrected accordingly.

**3.9** The Indian Institute of Management Lucknow do not bind themselves to accept the lowest or any other tender and reserves the right to accept or reject any or all the tenders either in full or in part without assigning any reason.

**3.10** The tender shall be opened & evaluated by the tender opening and evaluation committee and the successful tenderer shall be informed.

**3.11** If any of the document submitted by the tenderer is found fake, even after the acceptance of tender, the contract will be terminated for which the concerned tenderer will itself be responsible and no compensation, etc., will be paid by the IIM, Lucknow.

**3.12** The Director, Indian Institute of Management Lucknow reserves the right to reject one or all the tenders without assigning any reason. No claim, whatsoever, shall be entertained on this account.

**3.13** 5% of the payable bill value of each work will be retained from each bill as the defect liability period & shall be released after completion of the Defect Liability Period. The Defect liability period shall be separately mentioned in each work order issued by Engineer-In-Charge for respective works. In general, the **Defect liability period in 12 months** from the date of completion of respective work awarded through the respective work order. No interest shall be paid on the amount. The Retention money/ Security Deposit deducted above for different works awarded through separate work orders shall be refunded to the contractor after the completion of the stipulated Defect liability period of the respective work order.

**3.14** This being a Percentage Rate contract, the rate quoted shall remain firm and errors, if any in the extension/total shall be subject to corrections. The estimated quantities/Amount of work involved stipulated above/in the price bid are approximate, and hence any reduction/increase thereof during the currency of the

contract shall not vitiate the contract. The approximate estimated value of this work is indicated in NIT. This estimate and Quantity however are not guarantee and merely given as rough guide, and if the work costs more or less or the Quantities varies to any extent plus or minus, Tenderers will have no claim on that account.

**3.15** The tenderer shall not be at liberty to withdraw or modify his tender or any terms and conditions thereof before the expiry of said period. Tenderers are expected to clarify only such points as asked for specifically by the Accepting Officer in writing. Any withdrawal or modification made within the said period constitutes breach of contract and the tenderer shall be liable for damages to the Institute in consequence thereof. He shall, in addition, forfeit to the Institute the EMD.

**3.16** Any tender which propose any alterations to any of the conditions lay down or proposes any other conditions of any description whatsoever is liable to be rejected.

**3.17** The EMD shall not carry interest and will be refunded to the tenderers, if the tender is not accepted, unless the same is forfeited to the Institute for any breach on his part. If his tender is accepted, the Earnest Money will be converted into Performance Security Deposit as stipulated.

**3.18** The drawing (if any) should be returned along with the tender documents with duly signed.

- a) The tender should be accompanied by a certified true copy of the power of attorney of the signatory of the documents.
- b) Tenderers shall ensure that their tender is up loaded well in advance before the time and date stipulated in the tender notification/documents.

**3.19** Under no circumstances will a Father and his Son(s) or other close relations who have business dealing with one another be allowed to tender for the same contract as separate competitors. A breach of this condition will render the tender of both parties liable for rejection.

**3.20** The submission of a tender by a tenderer implies that he has read all the terms and conditions of contract and has made himself aware of the scope and specifications of the work to be done and local conditions and other factor bearing on the execution of the work.

**3.21** The agencies whose contract were terminated/ are in litigation with IIM Lucknow or are debarred on account of nonperformance in IIM Lucknow's work or have any criminal case in any police station/ court of India will not be eligible for bidding this tender.

**3.22** Since this is an electronic mode of tendering, any manual or mechanical errors committed before uploading or during the process of uploading the document shall bound to be duly accepted by the Tenderers. The Tenderers shall not have claim whatsoever in this regard.

**3.23** Tenderers are required to make the DATA ENTRY of the Percentage Rate in figure and rate in words, which will be applicable to all the items stipulated in BOQ in the prescribed format as given in part B of the Tender (financial bid).

**3.24** The Tenderers shall download and sign the LETTER OF UNDERTAKING of the document and upload the same along with other documents.

**3.25** Tenders of those Tenderers who fulfill the criteria mentioned above will only be considered for

opening of Price Bid. Tenders received without earnest money/ copy of MSME certificate (for exemption of Earnest Money Deposit) or those which are incomplete or invalid or conditional will be rejected and no correspondence will be entertained in case of rejection.

**3.26** Contractors/agencies are subject to be disqualified, even though they meet the qualifying criteria, if they make misleading or false representations in the request, statements and attachments submitted in proof of qualification requirements including holding information and or have record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures, requesting for claims not admissible under the contract conditions, etc..

**3.27** All dispute and discrepancies relating to this tender shall be governed by law of India and shall be subject to jurisdiction of court at Lucknow U.P. state.

**3.28** The Institute reserves the right to accept any tender either in full or in part, to reject all the tenders or distribute the work in more than one agency without assigning any reason. Decision of the Institute in this regard shall be final and binding to the Bidder. The bidder/ bidders in such case cannot claim any compensation for change in the scope / Qty. of work.

**3.29** This instruction shall be deemed to form an integral part of the contract to be entered for this work.

**3.30 GST/ Taxes:**

GST or any other tax applicable in respect of inputs procured by the contractor for this contract shall be payable by the Contractor and Institute will not entertain any claim whatsoever in respect of the same.

It may be noted that Rates given in the BOQ/ financial bid are inclusive of GST.

**So GST as Applicable, TDS on GST, labor Cess etc. Applicable as per the rules shall be reverse calculated from the Billed amount and the same will be required to be submitted by the contractor to the concerned GST office.**

**3.31** Wherever the tender schedule contains special items of work, it will be entirely at the discretion of the Institute to delete these items from the Price Bid and allot these items of work to other Contractors specialized in these works. In such cases, the main Contractor will have to render all necessary cooperation to the other agencies involved so as to ensure smooth progress of all work.

**3.32** The Contractor's responsibility for this contract shall commence from the date of commencement mentioned in the work order which will be issued by the Engineer-in-Charge after acceptance of work.

**3.33** If the tenderer deliberately gives wrong information in his tender or creates conditions favorable for acceptance of his tender, the Accepting Officer reserves the right to reject such tender at any stage, forfeit the EMD, and take Administrative Action against the tenderer like non-issue of tenders etc., as deemed fit by the Accepting Officer.

**3.34** At any time, even after award of contract also, if it will be found that the tenderer has deliberately given wrong information or false credentials at the time of tender or at any other time in connection with the contract, IIM, Lucknow reserves the right to reject the offer or cancel the

contract. And in such case the contractor/tenderer is liable to forfeit the EMD amount including any other action as deemed fit. The contractor/tenderer is also liable to be permanently debarred for participating in any tender process of IIM, Lucknow concerning to any type of work in future.

### **3.35 PRECEDENCE FOR ACCEPTANCE:**

If any contradiction / variance is observed in different components of the tender, the following precedence shall be observed:

- i) Tender Notice and Instructions to Tenderers shall have precedence over special condition.
- ii) Special Conditions shall have precedence over General Conditions of Contract.
- iii) **General Conditions of Contract are available on the IIM Lucknow web site and at the IIML office and shall be the part of the contract. Successful bidder will be required to submit the signed hard copy of the same After issuing of LOI to him before start of work.**
- iv) In regard to the conditions, specifications, approved makes and mode of measurement not covered above, those contained in DSR 2023/ DAR 2023/ CPWD / Specification shall apply.
- v) However, the Engineer-In-Charge shall be sole deciding authority with regard to the intention of the document and his decision in this respect shall be final and binding on the contractor.

**3.36** The tenderer shall not increase their quoted rates in case the Accepting Officer negotiates for reduction in rates, such negotiations shall not amount to cancellation or withdrawal of the original offer and the rates originally quoted shall be binding on the tenderer.

**3.37** It is expected the contractor possesses the Delhi Schedule of Rates 2023, DAR 2023, Latest CPWD Specifications, Latest CPWD works manual.

**3.38** Rate quoted to include:

- a) Working hours as per office timings and over-time.
- b) Movement of men, material and stacking, all as directed by the Engineer-in-Charge.
- c) Removing of surplus materials and stacking all as directed by the Engineer-in-Charge.
- d) Cleaning of the Site after the completion of the day's work.
- e) Shifting the house hold items and furniture etc., from the Rooms in which the work is required

Signature of Tenderer

to be executed before the start of the works as per the directions of the Resident and placing back the shifted items after completion and curing period of the work as per the directions of the resident.

**3.39 Before tendering the tenderers are advised to inspect the site of work, and its environments and be well acquainted with the actual working, restrictions in campus area, security procedures for entry of men and material, prevalent conditions, position of materials and labour, General and Special Conditions of contract, Instructions to Tenderers, drawing (if any) and Specifications, DSR and all other documents which form part of the agreement to be enlisted into.**

**3.40** In the event of a tender being submitted by a Partnership Firm the tender must be signed separately and legibly by each partner member of the Firm or in their absence a person holding the power of attorney on behalf of the Firm concerned. In the latter case, a copy of the power of attorney duly attested by a Gazetted Officer must accompany the tender.

**3.41** The successful tenderer shall submit additional Initial Performance security of **3% +2 % EMD ( 3 % incase EMD is submitted and 5 % in case MSME exemption for EMD is taken)** of Contract Value in form of DD/FDR/Bank Guarantee in favor of Director, Indian Institute of Management, **Lucknow within 15 days of award of work.** Same shall be released after satisfactory completion of contract which **is 2 years.** The Performance security which will be 3% +2 % EMD shall be refunded only after **90 days of completion** of the contract period/ extended period of the contract.

## **General Conditions of Contract:**

General Conditions of Contract are available at the IIM Lucknow web site and at Project Division Office. These conditions shall be the part of this contract. The successful Bidder shall be required to submit the signed hard copy of these General Terms and Conditions after issue of LOI and before starting of the work.

### **4.0 SPECIAL CONDITIONS OF THE CONTRACT**

#### **4.1 NAME OF WORK**

Annual rate contract for 02 years for extension of kitchen and study room area in type-V residences of Indian Institute of Management Lucknow.

#### **4.2 OWNER**

Indian Institute of Management, Prabandh Nagar, IIM Road, Lucknow-226013.

#### **4.3 ENGINEER/ ENGINEER-IN-CHARGE**

Executive Engineer, IIM or any person designated from time to time by owner and shall include those who are expressly authorized by him to act for and on his behalf for operation of this contract.

#### **4.4 SCOPE OF WORK**

The scope of work is to basically extend the existing study and kitchen room in old-type V residences (Professor's residence) to provide uniformity in all houses. The houses where this work is to be executed have occupants, so the work will be planned in consideration of resident time slot.

#### **4.6 CONTRACT RATES**

The contract rates are for work to be done in IIM Campus, Lucknow and shall be firm throughout the currency of the contract including the extended period, if any, and shall not be subjected to any escalation due to any reason whatsoever it may be.

No escalation claim shall be entertained for any statutory increase by the Local Authorities, State/Central Government during the contract period.

The quantities mentioned in the Financial bid are tentative. The rates quoted in tender and as accepted by the owner with or without modification shall hold good for any increase/decrease in quantities. Any of the items may be deleted as per directions of owner/Engineer-in-Charge.

#### **4.6 LEVY/TAXES PAYABLE BY CONTRACTOR**

Building and other Construction Workers Welfare Cess or any other tax, levy or Cess in respect of input for or output by this contract shall be payable by the contractor and IIML shall not entertain any claim whatsoever in this respect. The contractor shall deposit royalty and obtain necessary permit for supply of the red bajri, Sand, stone, kankar, etc. from local authorities (If Applicable as per the Applicable law of land). If pursuant to or under any law, notification or order any royalty, cess or the like becomes payable by the Institute and does not any time become payable by the contractor to the State Government, Local authorities in respect of any material used by the contractor in the works, then in such a case, it shall be lawful to IIM, Lucknow and it will have the right and be entitled to recover the amount paid in the circumstances as aforesaid from dues of the contractor.

#### **Conditions for reimbursement/ recovery of levy/taxes if levied after receipt of Tenders**

All tendered rates shall be inclusive of any tax, levy or cess applicable on last stipulated date of receipt of tender including extension if any. No adjustment i.e. increase or decrease shall be made for any variation in the rate of, Building and Other Construction Workers Welfare Cess or any tax, levy or cess applicable on inputs. **GST is included in the Rates.** So reverse calculation from the Total billed amount will be made in the bills to calculate and bring out the GST (which has to be deposited by the contractor)

However, effect of variation in rates of GST or Building and Other Construction Workers Welfare Cess or imposition or repeal of any other tax, levy or cess, applicable on output of the works contract shall be adjusted on either side, increase or decrease. Provided further that:

- (i) That such increase including GST shall not be made in the extended period of contract for which the contractor alone is responsible for delay as determined by authority for extension of time.
- (ii) The contractor shall keep necessary books of accounts and other documents for the purpose of this condition as may be necessary and shall allow inspection of the same by a duly authorized representative of the Government and/or the Engineer-in-Charge and shall also furnish such other information/ document as the Engineer-in-Charge may require from time to time.
- (iii) The contractor shall, within a period of 30 days of the imposition of any further tax or levy or cess, or variation or repeal of tax or levy or cess/ reduction of such taxes/ cess etc. shall give a written NOTICE thereof to the Engineer-in-charge that the same is given pursuant to this condition, together with all necessary information relating thereto. Decision of the Director of the Institute in this regard to either compensate/ recover the changes in the rates of taxes/ levy of cess etc. as the case may be shall be final and binding to the Contractor.

#### 4.7 ESI & PF CODE:

The contractors are required to comply with the provisions of ESI & PF act as per applicability. The contractor shall be required to indemnify IIM for any liabilities arising on account of ESI & PF act.

**4.8** The records / registers which Engineer- In- Charge considers necessary for monitoring the works, quality control & inspection by chief technical Examiner are to be maintained at site in co-ordination with Engineer-in- Charge and Agency.

#### 4.9 COMMENCEMENT DATE

The date of commencement of work shall be the date of issue of the Letter of Intent. The contractor shall have to submit Performance Guarantee as stipulated above **within 10 days from** the date of issue of Letter of Intent failing which the E.M.D. may be forfeited. Work order for the works awarded during the AMC period shall be issued for separate works with the completion date/period stipulated. The contractor is required to start the work within 3 days of issue date of the work order and the work shall be completed within the stipulated time frame. Any work not completed by the contractor/ executed in inferior quality/ unnecessary held up/ disrupted because of any irregularity whatsoever, Engineer In charge/ Competent authority of IIM Lucknow upon serving a 7 days' notice shall be get work done by other agency at the risk and cost of contractor and the Contractor will have no claim for compensation in this regard. Contractor will maintain a work force at IIML so as to start the ordered work within 24 hours of ordering or as specified while ordering. One person will always available at specified place to receive the order other than work force. Spare Material/ Machinery/ equipment's may be required to be stored by contractor within or outside the Campus to Start the work within 24 hours of ordering or as specified.

#### 4.10 VARIATION IN QUANTITIES

The amount of approximately Rs 37.0 Lakhs is taken based on last contract. **However, it may increase/ decrease 100 %** as per the actual work requirements of Institute. No claim or compensation what so ever shall be entertained in this regard.

#### 4.11 AWARD OF WORK

**As per past practice, the work can be split between two or more parties; hence, the Institute may award the work to two or more contractors. All the contractors will have to engage a site Engineer as stipulated below. The contractors will have no claim/reservation/objection regarding these accounts.**

#### 4.12 PERIOD OF CONTRACT

The period of contract shall be **two years**, including all holidays, Saturdays & Sundays from the

date of L.O.I. The contractor should inform in writing to renew the contract at least two months of expiry of contract period. If he intends to continue on same rates after completion of contract period, decision of Director to allow or not allow for extension of the contract will be final and binding.

#### **4.13 SITE SUPERVISION**

Contractor will deploy one Diploma (Civil) Engineer having a minimum 2 years' experience of supervision in similar jobs, at site during the actual course of work and having adequate computer skill, CV's are to be attached with this tender document and approval of CV's are to be taken from the IIM before actual work starts at site.

His duties involve inspection of complaints/work, submitting proposal, accepting work order, direct supervision joint measurement with Institute engineer and submission of bills.

#### **PENALTY FOR NON-COMPLIANCE OF REQUIRED MANPOWER:**

A. Diploma holder with minimum Two years' experience: **Rs. 20,000/-** per month to the maximum value as decided by the Competent Authority.

#### **4.14 OFFICE ACCOMMODATION FOR CONTRACTOR'S STAFF**

The Contractors shall at his own cost provide, fit up and maintain in an approved portion office accommodation for his representative and the Contractors' staff, which offices shall be open at all reasonable hours to receive instructions, notices or communications and clear away on completion and make good all work disturbed. **Charges @ 1% of the work done value shall be levied for occupying space/store for keeping materials from each bill to the maximum Value as decided by the Competent Authority.**

#### **4.15 LIQUIDATED DAMAGES**

Shall be **1%** of the work order amount per week, subject to the maximum of 10% of each order value.

#### **4.16 RUNNING ACCOUNT BILL**

The contractor shall prepare and submit the running account bills showing quantities supplied item-wise in 2 copies. The bills shall be submitted within one week from the date of completion of work, failing which the bills cannot be considered unless the reasons for delay or non-payment are specified. Measurement will be done only on the completion of the work. The contractor has to obtain the **User certificate for satisfactory completion of the work** as per the Institute's format before

raising any Invoice.

#### **4.17 SECURITY DEPOSIT**

The tender should be accompanied by an Earnest Money of **Rs. 74,000/-** as stipulated in the Instruction to the tenderer. No interest will be payable on Earnest Money.

Or

A valid MSME certificate if exemption is sought for E.M.D.

The E.M.D. of the successful bidder shall be converted to Performance Security Deposit.

The successful tenderer shall also submit additional Initial Performance Security of **3%** (if 2 % was deposited as EMD) of Contract Value in form of DD/FDR/Bank Guarantee in favor of Director, Indian Institute of Management Lucknow **within 10 days** of the award of work, **failing which the tender/LOI will be treated cancelled and EMD will be forfeited and firm will be blacklisted for future tendering in IIM Lucknow.**

Similarly Agreement on Rs 100 stamp paper will be required to be executed within 7 days of issue of LOI and if the contractor fails to get the agreement done within 7 days unless otherwise any extension had been granted by IIM Lucknow then the Work awarded/ LOI issued will be straightaway considered as Terminated. If MSME exemption is taken on EMD then the tender will have to deposit **5%** of the work value as Performance Security. Performance security (EMD 2% + 3% of contract value) shall be released **90 days** after satisfactory completion of contract period or the Extended period of the Contract.

Security deposit/Retention money **5%** shall be deducted from each Running Account Bill of contractor. The Security deposit/ retention money shall be released after the satisfactory completion of defects liability period of the respective work. In general, which will be **12 months** from the date of completion of the respective works.

If successful tenderer fails to commence the **work within 3 days** from the date of issue of individual Work Order, the Institute may reject the award of work and get the work done by engaging other agency.

#### **4.18 TESTING OF MATERIALS**

Samples of various materials required for testing shall be provided by the Contractor at no charge. Testing charges if any, shall be borne by the contractor. All other expenditure required to be incurred for taking the samples, conveyance, packing etc. shall be borne by the contractor himself.

a) Regular mandatory test and any additional tests if required, shall be carried out in accordance with the procedure laid down in IS / as directed by Engineer-in-Charge by the contractor at his own cost.

b) The testing charges, including the cost of materials to be tested and all other incidental charges such as carriage to the testing laboratory etc., shall be borne entirely by the Contractor and the quoted rates shall be deemed to be inclusive of the same.

c) The Contractor may specifically note that the testing shall be done in Govt./Govt.(NABL) approved laboratory only.

## **INSPECTION AND TESTING**

The owner (IIM Lucknow) or his authorized representatives shall have full power to inspect the work or examine the material. Acceptance of any material shall in no way relieve the contractor of his responsibility for meeting the requirements of the specifications. The contractor shall afford and procure for the owner every facility and assistance to carry out such inspection/tests. The cost of any special tests and/or analysis not called for in this specification shall be borne by the contractor.

The Contractor will use Raw materials as approved by Engineer-In-Charge IIM, Lucknow. And shall keep manufacturer Test certificate of the material used (wherever applicable).

All works generally conform to relevant I.S. Code. Any work that do not conform to the Applicable I.S. codes shall be redone at the cost of contractors.

### **4.19 LABOUR CAMP**

The contractors at his own risk and cost shall establish the Labour Camps outside the site premises. No manpower of the contractor will be allowed to stay inside IIM Lucknow Premises. Contractor will have to make his own arrangement for staying/ accommodation for his manpower outside the complex. Nothing extra shall be payable on this account.

### **4.20 SAMPLES**

Test Samples of raw material as per the Instruction of the Engineer-In-Charge will be prepared by the contractors and same to be tested as per code of practice at the cost of contractor as directed by Engineer- In-Charge.

It shall be the responsibility of the contractor to submit samples of raw material to be used in the execution of the awarded work and any other items as decided by the owner. One such approved sample each shall be kept with the owner and at site for future reference.

### **4.21 SUB-STANDARD MATERIALS**

Any material rejected by the owner shall be removed from the site within 48 hours of issue of instructions to this effect by the owner. Failing this, the owner shall have to rights to get these removed at the cost of the contractor and the contractor shall have no claim whatsoever in this regard.

### **4.22 SPECIFICATION**

Contractor shall perform work in accordance with the latest CPWD Specifications and as per the direction of the Engineer in charge.

#### **4.23 DEFECT LIABILITY PERIOD**

**Twelve months** from the virtual date of completion of work and removal of surplus materials, equipment's, waste, scrap, etc. from respective site/ house.

#### **4.24 CORRESPONDENCE**

All correspondence shall be addressed to:

Chief Administrative Officer,  
Indian Institute of Management Lucknow  
Prabandh Nagar, IIM Road, Lucknow – 226013 (U.P.)

#### **4.25 JURISDICTION**

The contract will be subject to the territorial jurisdiction of Courts in Lucknow alone.

**4.26** The contractor shall indemnify and keep indemnified the Indian Institute of Management Lucknow against payments to be made under and for the observance of the laws aforesaid and the C.P.W.D. Contractor's Labour Regulations, without prejudice to his right to claim indemnity from his sub-contractors.

#### **4.27 RULES FOR SAFETY AND LABOUR WELFARE**

The Contractor shall comply with the safety and Labour Welfare Rules, as given hereunder and as per the Rules and Regulations framed by Local Authorities/Statutory Bodies/State/Central Govt. from time to time.

#### **4.28 SAFETY PRECAUTIONS**

Safe means of access shall be provided to all working platforms and other working places. Every ladder shall be securely fixed. Adequate precautions shall be taken to prevent danger from electrical equipment. No materials on any of the sites shall be so stocked or placed as to cause danger or inconvenience to any person of the public. The Contractor shall provide all necessary fencing and lights to protect public from accidents and shall be bound to bear expenses of defense of every suit, action or other proceedings at law that may be brought by any person for injury sustained owing to neglect of the above precautions and to pay any damage and costs which may with the consent of the Contractor be paid to compromise any claim by any such person. All workers should wear Safety helmet, Safety Shoes, Fluorescent jacket and Safety Belt (If required) during the execution of the work.

NOTE: All scaffolds, ladders, First Aid Equipment's/ Machines and other safety devices mentioned

or described herein shall be maintained in a safe condition and no scaffold, ladder or equipment shall be altered or removed while it is in use. Adequate washing facilities shall be provided at or near places of work. Necessary warning sign boards in Red/White paint, with proper lighting arrangements for nights, are to be provided by the Contractor at his cost, as approved by the Engineer-in-Charge at prominent locations. The arrangements for providing and maintaining all such safety and labour welfare measures etc., shall be done at the Contractor's own cost and expenses.

#### **4.29 DISPUTE & ARBITRATION**

All disputes or differences whatsoever arising between the parties out of or relating to the construction, meaning and operation or effect of this contract or subject thereof or the breach thereof that cannot be settled by good faith and negotiations between the parties within 60 days of the commencement of negotiations may be settled by referring the dispute to the Director, IIM Lucknow, who may appoint an Arbitrator who is unconnected with IIM to adjudicate the same. The proceedings will be governed by the provisions of the Arbitration & Conciliations Act, 1996. The place of arbitral proceedings will be Lucknow. Other clauses of the agreement can be seen in the Office of Executive Engineer, IIM Lucknow. There shall be for termination, Arbitration, Force Majeure, Extension of time, Completion Certificate, Rules for Safety & Labour welfare, Labour laws etc.

**4.30** No mobilization advance will be paid to the contractor.

**4.31** If the altered/additional or substituted work or any additional work required to be as per owner's requirement shall be carried out by the contractor on the same conditions in all respects including price on which he agreed to do the main work except as hereafter provided for which there are no established rates in schedule of items and Delhi Schedule of rates., the same shall be payable as per the provision stated hereunder.

a) If any extra item crops up during the work (Other than that given in the Work Order), the rate for such item shall be computed as per rates of **CPWD/DSR-2023** with the same percentage above or below as is quoted by the Contractor in the Price Bid).

b) Rates for items where rate is not available in **DSR-2023** shall be derived from the similar item of nearest DSR. If not available in the nearest DSR then in the nearest District Schedule of Rates issued by the Uttar Pradesh PWD department. If the item is not found in DSR and District Schedule of rates then the Percentage Rate from nearest available Schedule of rates of any Central/ Uttar Pradesh Government Department Shall be considered with whatever applicable Cost index plus or minus ( If any as per relevant Circular from the department) on the schedule of rates considered.

c) If direct working out is not possible as mentioned in a) & b) above, the contractor shall be paid on the basis of actual cost of material and labor cost plus 15% towards profit, supervision, overheads

establishment, plants, machinery etc. and applicable taxes, GST etc as decided by the Competent Authority.

**d)** In the case of substituted items (items that are taken up with partial substitution or in lieu of items of work in the contract), the rate for the agreement item (to be substituted) and substituted item shall also be determined in the manner as mentioned in the following para:

**(i)** If the market rate for the substituted item so determined is more than the market rate of the agreement item (to be substituted), the rate payable to the Contractor for the substituted item shall be the rate for the agreement item (to be substituted) so increased to the extent of the difference between the market rates of substituted item and the agreement item (to be substituted).

**(ii)** If the market rate for the substituted item so determined is less than the market rate of the agreement item (to be substituted), the rate payable to the contractor for the substituted item shall be the rate for the agreement item (to be substituted) so decreased to the extent of the difference between the market rates of substituted item and the agreement item (to be substituted).

26	4.1.5	Providing and laying in position cement concrete of specified grade excluding the cost of centering and shuttering - All work up to plinth level 1:3:6 (1 Cement : 3 coarse sand (zone-III) : 6 graded stone aggregate 20 mm nominal size).	Cum	13	5981.65	77761.50

27	22.7.1	Providing and laying integral cement based water proofing treatment including preparation of surface as required for treatment of roofs, balconies, terraces etc consisting of following operations: a) Applying a slurry coat of neat cement using 2.75 kg/sqm of cement admixed with water proofing compound conforming to IS. 2645 and approved by Engineer-in charge over the RCC slab including adjoining walls upto 300 mm height including cleaning the surface before treatment. b) Laying brick bats with mortar using broken bricks/brick bats 25 mm to 115 mm size with 50% of cement mortar 1:5 (1 cement : 5 coarse sand) admixed with water proofing compound conforming to IS : 2645 and approved by E-in-C over 20 mm thick layer of cement mortar of mix 1:5 (1 cement :5 coarse sand ) admixed with water proofing compound conforming to IS : 2645 and approved by Engineer-in charge to required slope and treating similarly the adjoining walls upto 300 mm height including rounding of junctions of walls and slabs c) After two days of proper curing applying a second coat of cement slurry using 2.75 kg/sqm of cement admixed with water proofing compound conforming to IS : 2645 and approved by Engineer-in-charge. d) Finishing the surface with 20 mm thick jointless cement mortar of mix 1:4 (1 cement :4 coarse sand) admixed with water proofing compound conforming to IS : 2645 and approved by Engineer-in charge including laying glass fibre cloth of approved quality in top layer of plaster and finally finishing the surface with trowel with neat cement slurry and making pattern of 300x300 mm square 3 mm deep. e) The whole terrace so finished shall be flooded with water for a minimum period of two weeks for curing and for final test. All above operations to be done in order and as directed and specified by the Engineer-in-Charge: With average thickness of 120 mm and minimum thickness at khurra as 65 mm.	Sqm	143	1381.37	197536.20
28	15.6	Disposal of building rubbish / malba / similar unserviceable, dismantled or waste materials by mechanical means, including loading, transporting, unloading to approved municipal dumping ground or as approved by E-In-C, beyond 50 m initial lead, for all leads including all lifts involved.	Cum	65	216.44	14068.54
29	18.13.1	Making connection of GI distribution branch with GI main by p/f tee, i/c cutting and threading the pipe etc complete of size 25 mm to 40 mm nominal bore.	Each	13	747.76	9720.85

30	18.8.2	Providing and fixing Chlorinated Polyvinyl Chloride (CPVC) pipes, having thermal stability for hot & cold water supply and all CPVC plain & brass threaded fittings, including fixing the pipe with clamps at 1.00 m spacing. This includes jointing of pipes & fittings with one step CPVC solvent cement and testing of joints complete as per direction of Engineer in Charge. Internal work-exposed on wall. 20mm nominal dia pipe.	Meter	130	433.83	56397.90
31	18.51.1	P/F of CP brass long body bib cock 15 mm nominal bore.	Each	13	655.14	8516.81
32	12.41.2	Providing and fixing on wall face unplasticised Rigid PVC rain water pipes conforming to IS : 13592 Type A, including jointing with seal ring conforming to IS : 5382, leaving 10 mm gap for thermal expansion, (I) Single socketed pipes. 110 mm diameter.	Meter	65	309.47	20115.42
33	21.1.1.2	Providing and fixing aluminium work for doors, windows, ventilators and partitions with extruded built up standard tubular sections/ appropriate Z sections and other sections of approved make conforming to IS: 733 and IS: 1285, fixing with dash fasteners of required dia and size, including necessary filling up the gaps at junctions, i.e. at top, bottom and sides with required EPDM rubber/ neoprene gasket etc. Aluminium sections shall be smooth, rust free, straight, mitred and jointed mechanically wherever required including cleat angle, Aluminium snap beading for glazing / paneling, C.P. brass / stainless steel screws, all complete as per architectural drawings and the directions of Engineer-in-charge. (Glazing, paneling and dash fasteners to be paid for separately) : For fixed portion; Powder coated aluminium (minimum thickness of powder coating 50 micron).	Kg	260	435.34	113187.88
34	21.1.2.2	Ditto item above for movable portion.	Kg	260	520.25	135264.74
35	21.3.2	Providing and fixing glazing in aluminium door, window, ventilator, shutters, Louvers, Strips and partitions etc. with EPDM rubber / neoprene gasket etc. complete as per the architectural drawings and the directions of engineer-in- charge. (Cost of aluminium snap beading shall be paid in basic item): With float glass panes of 5 mm thickness (weight not less than 12.50 kg/sqm).	sqm	26	1234.31	32091.93
36	21.8.1	Filling the gap in between aluminium frame & adjacent RCC/ Brick/ Stone work by providing weather silicon sealant over backer rod of approved quality as per architectural drawings and direction of Engineer-in-charge complete. Upto 5mm depth and 5 mm width.	metre	65	79.34	5156.78

37	21.16.2	Providing and fixing aluminium round shape handle of outer dia 100 mm with SS screws etc. complete as per direction of Engineer-in-charge. Powder coated minimum thickness 50 micron aluminium.	each	52	89.63	4660.55
38	9.97.5	Providing and fixing aluminium tower bolts, ISI marked, anodised (anodic coating not less than grade AC 10 as per IS : 1868 ) transparent or dyed to required colour or shade, with necessary screws etc. complete :. complete :100x10 mm	each	104	53.05	5517.62
39	10.25.2	Steel work welded in built up sections/ framed work, including cutting, hoisting, fixing in position and applying a priming coat of approved steel primer using structural steel etc. as required. In gratings, frames, guard bar, ladder, railings, brackets, gates and similar works	Kg	286	141.53	40478.15
40	11.41.2	Providing and laying vitrified floor tiles in different sizes (thickness to be specified by the manufacturer) with water absorption less than 0.08% and conforming to IS: 15622, of approved make, in all colours and shades, laid on 20 mm thick cement mortar 1:4 (1 cement : 4 coarse sand), jointing with grey cement slurry @ 3.3 kg/ sqm including grouting the joints with white cement and matching pigments etc., complete. Size 600X600mm	Sqm	156	1073.83	167517.32
41	11.46.2	Providing and laying Vitrified tiles in different sizes (thickness to be specified by manufacturer), with water absorption less than 0.08 % and conforming to I.S. 15622, of approved make, in all colours & shade, in skirting, riser of steps, over 12 mm thick bed of cement mortar 1:3 (1 cement: 3 coarse sand), jointing with grey cement slurry @ 3.3 kg/ sqm including grouting the joint with white cement & matching pigments etc. complete. Size of Tile 600x600 mm	Sqm	19.5	1300.90	25367.57
42	4.12	Extra for providing and mixing water proofing material in cement concrete work in doses by weight of cement as per manufacturer's specification.	per 50kg cement	65	14.88	967.20
43	MR	Making a drain with PVC 3" dia pipe with required bend and fitting and SS drain jaali complete job in all respect.	Job	13	1200.00	15600.00
44	MR	Electrical work like conduit, wiring, fan box, switch board, fan and light point with 5 and 15 AMP switch and socket etc. as directed and approved by E-in-C.	LS	13	6000.00	78000.00
<b>Part-B</b>		<b>For Extension of study room in House Nos. 505, 509, 522, 525, 528 (5 houses)</b>				

1	15.7.4	Demolishing brick work manually/ by mechanical means including stacking of serviceable material and disposal of unserviceable material within 50 metres lead as per direction of E-in-C. In cement mortar.	Cum	22.5	1689.36	38010.69
2	15.2.1	Demolishing cement concrete manually/ by mechanical means including disposal of material within 50 metres lead as per direction of Engineer - in - charge. Nominal concrete 1:3:6 or richer mix (i/c equivalent design mix).	Cum	1.5	1996.09	2994.13
3	15.12.1	Dismantling doors, windows and clerestory windows (steel or wood) shutter including chowkhat, architrave, holdfasts etc. complete and stacking within 50 metres lead : Of area 3 sq. metres and below.	Each	25	301.10	7527.60
4	15.56	Dismantling old plaster or skirting raking out joints and cleaning the surface for plaster including disposal of rubbish to the dumping ground within 50 metres lead.	Sqm	110	44.81	4929.43
5	5.9.3	Centring and shuttering including strutting, propping etc. and removal of form for: Suspended floors, roofs, landings, balconies and access platform.	Sqm	50	678.35	33917.25
6	5.9.5	Centring and shuttering including strutting, propping etc. and removal of form for: Lintels, beams, plinth beams, girders, bressumers and cantilevers.	Sqm	17.5	603.85	10567.34
7	5.9.4	Centring and shuttering including strutting, propping etc. and removal of form for: Shelves (Cast in situ).	Sqm	30	678.35	20350.35
8	5.9.16.1	Centring and shuttering including strutting, propping etc. and removal of form for: Edges of slabs and breaks in floors and walls Under 20 cm wide.	Metre	80	171.01	13680.88
9	5.22A.6	Steel reinforcement for R.C.C. work including straightening, cutting, bending, placing in position and binding all complete above plinth level. TMT Fe500D bars.	kg	650	70.04	45524.05
10	5.3	Reinforced cement concrete work in beams, suspended floors, roofs having slope up to 15° landings, balconies, shelves, chajjas, lintels, bands, plain window sills, staircases and spiral stair cases up to floor five level, excluding the cost of centring, shuttering, finishing and reinforcement, with 1:2:4 (1 cement : 2 coarse sand : 4 graded stone aggregate 20 mm nominal size).	Cum	8.5	8214.51	69823.34
11	6.13.2	Half brick masonry with common burnt clay F.P.S. (non-modular) bricks of class designation 7.5 in superstructure above plinth level up to floor V level. Cement mortar 1:4 (1 cement : 4 coarse sand).	Sqm	50	921.52	46075.80
12	6.15	Extra for providing and placing in position 2 Nos 6mm dia. M.S. bars at every third course of half brick masonry.	Sqm	40	85.94	3437.44

13	9.1.1	Providing wood work in frames of doors, windows, clerestory windows and other frames, wrought framed and fixed in position with hold fast lugs or with dash fasteners of required dia & length (hold fast lugs or dash fastener shall be paid for separately): Second class teak wood	Cum	0.35	117218.75	41026.56
14	9.169	Providing and fixing 19 mm thick both side balancing lamination factory pressed BWP grade marine ply as per IS : 710 of approved brand-boxes,shelves,racks,almirah,cupboard and drawer etc. including necessary nails,screws etc. complete as per direction of Engineer-incharge.	Sqm	50	2126.38	106319.15
15	9.7.7.2	Providing and fixing paneling or paneling and glazing in paneled or paneled and glazed shutters for doors, windows and clerestory windows (Area of opening for panel inserts excluding portion inside grooves or rebates to be measured). Paneling for paneled or paneled and glazed shutters 25 mm to 40 mm thick: Float glass panes, 5.5 mm thick	Sqm	0.5	2132.37	1066.18
16	9.97.5	P/f aluminium tower bolts, ISI marked, anodised (anodic coating not less than grade AC 10 as per IS : 1868 ) transparent or dyed to required colour or shade, with necessary screws etc. complete : 100x10 mm.	Each	90	53.05	4774.86
17	9.100.2	Providing and fixing aluminium handles, ISI marked, anodised (anodic coating not less than grade AC 10 as per IS : 1868) transparent or dyed to required colour or shade, with necessary screws etc. complete : 100 mm.	Each	60	48.83	2929.86

18	22.7.1	Providing and laying integral cement based water proofing treatment including preparation of surface as required for treatment of roofs, balconies, terraces etc consisting of following operations: a) Applying a slurry coat of neat cement using 2.75 kg/sqm of cement admixed with water proofing compound conforming to IS. 2645 and approved by Engineer-in charge over the RCC slab including adjoining walls upto 300 mm height including cleaning the surface before treatment. b) Laying brick bats with mortar using broken bricks/brick bats 25 mm to 115 mm size with 50% of cement mortar 1:5 (1 cement : 5 coarse sand) admixed with water proofing compound conforming to IS : 2645 and approved by Engineer-in-charge over 20 mm thick layer of cement mortar of mix 1:5 (1 cement :5 coarse sand ) admixed with water proofing compound conforming to IS : 2645 and approved by Engineer-in charge to required slope and treating similarly the adjoining walls upto 300 mm height including rounding of junctions of walls and slabs c) After two days of proper curing applying a second coat of cement slurry using 2.75 kg/sqm of cement admixed with water proofing compound conforming to IS : 2645 and approved by Engineer-in-charge. d) Finishing the surface with 20 mm thick jointless cement mortar of mix 1:4 (1 cement :4 coarse sand) admixed with water proofing compound conforming to IS : 2645 and approved by Engineer-in charge including laying glass fibre cloth of approved quality in top layer of plaster and finally finishing the surface with trowel with neat cement slurry and making pattern of 300x300 mm square 3 mm deep. e) The whole terrace so finished shall be flooded with water for a minimum period of two weeks for curing and for final test. All above operations to be done in order and as directed and specified by the Engineer-in-Charge: With average thickness of 120 mm and minimum thickness at khurra as 65 mm.	Sqm	45	1381.37	62161.74
